SPEAKING OF COALS TO NEWCASTLE — David X. Lee (right), president of the Sausalito Preservation Assn. — which is made of up dwellers on arks, barges and houseboats—accepts deed to houseboat at 807 Humboldt street from Earl E. Usner (center). Michael Lewton, the preservation association's attorney (who has plenty of business these days) is at left. (Michael E. Bry photo)

JUST WHAT THEY WANTED

Sausalito's Ark Dwellers Given The Perfect Gift: A Houseboat

Sausalito's organized ark dwellers have received a present of just what they need most —a houseboat.

Moreover, the houseboat presented to the Sausalito Preservation Assn. by carpenter Earl E. Usner is already the subject of court action. Dist. Atty. W. O. Weissich yesterday charged Usner with violating a provision of the state Health and Safety Code by dumping raw sewage into the bay from the boat at 807 Humboldt street.

But Usner gave the natty red-and-white houseboat, with no strings attached (except, perhaps, a few legal ones not of his attaching), declaring:

"These people (the Sausalito Preservation Assn.) are trying to save a way of life that we have enjoyed for many years.

"We're moving to Fairfax, but I'd like to leave something behind to help their fight."

And David X. Lee, sculptor and president of the preservation association, accepted the gift in the same fine spirit in which it was given. He called it "an excellent example of the type of living that we're fighting for and one that is historically entrenched in Sausalito."

The houseboat contains a living room, kitchen, bedroom and bath (with no sewer connection). Lee said members of the association will "doll it up" a bit and put it on the market to raise money for the ark, houseboat and barge dwellers' fight against eviction and sanitary suits.

Meanwhile, it will be moved to a less expensive mooring place than 807 Humboldt, where the rent charged by Sam Zakessian, who owns the underwater land, was reported as $50 per month.

Galveston Hit By Staggering Wind Storm

GALVESTON, Tex. (AP) — Wind blasts that exceeded hurricane force ripped parts of Galveston today. Two fishermen were missing.

The storm struck from a line that spread destruction from near the Mexican border east to this coastal city.

Two men who went to check their fishing lines near Galveston remained unreported late in the morning and were feared drowned.

The wind tore down an oversized sign on Galveston's Pleasure Pier in the Gulf of Mexico. Pier authorities said engineers inspected the sign three months ago and declared it would withstand winds of from 175 to 200 m.p.h.

The winds blew a tanker aground, sank a fishing vessel, virtually destroyed three homes and caused widespread lesser destruction in Galveston and immediate vicinity.

Weather bureau men officially clocked winds at Galveston at 87 m.p.h., well over minimum hurricane force.

On Bolivar Peninsula nearby, winds were estimated at 100 m.p.h.

U. S. May Try To Put Mice In Orbit Today

SANTA MARIA (UPI) — The United States may make its first attempt today to place animals in orbit around the earth and recover them alive.

Four specially bred black mice, trained to withstand the rigors of space travel, will be penned up inside an ejectable capsule in a Discoverer III satellite set for launching today, according to Western Aviation magazine.

Large C119 cargo planes, trailing trapeze-like hooks, will attempt to snatch the capsule in mid-air with its living cargo after it is ejected over the Pacific Ocean near Hawaii.

Launching of the 1,600-pound satellite into a polar orbit will be at nearby Vandenberg Air Force Base, the nation's West Coast missile facility.

The mice, two males and two females, will ride in small, separate cages in an oblong box within the 160-pound capsule.

Special instruments will be placed on each mouse to measure heart reaction, pulse and temperature. The measurements will be radioed back to earth to give scientists vital information leading to the placing of men in space.

Mice making the pioneering trip will be picked from among a colony of specially-bred mice only hours before blastoff time.

Scientists have had the colony under close study for weeks to determine which of the rodents were best suited for the strenuous trip.

The colony is part of a special strain bred at Holloman Air Force Base, N.M., and flown here. The mice have undergone a series of tests to acclimate them to space travel.

Store Intruder's Explanation Fails To Convince Policeman

When Sausalito Police Sgt. David W. Cooper nabbed a burglary suspect in the Purity store on Bridgeway at 3:30 a.m. today, the man explained his presence inside by saying, "I broke the glass in a side door to attract attention because two or three men were after me and I went inside to get something to defend myself."

Cooper, not convinced by the story, arrested Robert E. Smith, 32, of San Francisco.

John McGoughey of 15 Pamela court, Bel Aire, and Richard Hassall of 631 Bridgeway, Sausalito, had just finished a sandwich in a nearby coffee shop and called Cooper when they saw Smith break a small pane of glass in the market's rear door and crawl inside.

At about the same time, Fred Martinez, partner in Ondine restaurant, drove by, also saw Smith and alerted Cooper.

The intruder surrendered without resistance and was found to have several cartons of cigarettes and a quantity of candy bars. He told Cooper he bought the candy earlier at another store. He did not explain the cigarettes.

Smith was booked on a burglary charge at the county jail.

County Seeks Cut In Civic Center Architectural Fee

Marin County will attempt to cut the Frank Lloyd Wright Foundation's fee for designing the county civic center, the board of supervisors indicated yesterday.

Last month, the board voted to continue the contract with the foundation after the death of Wright. The vote then followed the familiar pattern of civic center votes—4-1 with William D. Fusselman dissenting.

Yesterday, as a formal agreement to continue the contract came before the board, Fusselman renewed his opposition. And he won support of other board members when he suggested that the architects' fee should be reduced from 10 to 8 per cent now that the personal services of Wright are no longer available.

ONE OF REASONING

The higher fee was one of the reasons for Fusselman's opposition to hiring Wright as architect for the center. Yesterday he cited the board's action of Tuesday in engaging local architects at a fee of eight per cent to design hospital and juvenile hall buildings.

With Wright gone, there is no reason to pay a premium fee to his successors, Fusselman argued. Supervisors Vera Schultz, William Gnoss and James A. Marshall agreed the contract should be reviewed.

Any attempt to renegotiate the Wright fee would imply a threat to cancel the contract.

IMPLIED THREAT

County Counsel Leland H. Jordan advised the board that the contract may be terminated on short notice by the county, and the supervisors may at any time demand renegotiation of any part of it. Backing up the demand would be at least the implied threat to cancel the whole agreement.

Because the board was running late yesterday for the second successive day, members decided to think over the Wright matter some more and take it up again Tuesday at their regular meeting.

Native Sons Head Home; Convention Ends

The 82nd Grand Parlor of the Native Sons of the Golden West closed its five-day meeting in San Rafael today with installation of John B. Schmolle of Hermosa Beach as grand president to succeed Raymond H. Shone of San Rafael.

Other officers elected are: Leo M. Travers, San Francisco, grand first vice president; Edward H. Both, Huntington Park, grand second vice president; George H. Ewart, Oakland, grand third vice president; Harold J. Regan, South San Francisco, grand secretary; Almon J. Walcott, San Francisco, grand treasurer.

GRAND TRUSTEES

Elected grand trustees were Charles F. Scherer of Santa Cruz, James D. Boitano of Napa, Raymond P. Johnson of Fresno, Joseph G. Oeschger of Redwood City, Frank S. Christy of Sacramento, John J. Lewis of San Francisco and James E. Gowen of Richmond.

Grand marshal is Harold Latimer of Chico. Manuel C. Silva of Los Banos is grand inside sentinel and Wayman Banker of San Jose was elected grand outside sentinel.

The election and installation of officers was the principal business of today's closing session, as the delegates prepared to head for home after the statewide meeting at the Bermuda Palms Hotel.

McCARTHY SPEAKS

The annual banquet of the NSGW was held at the hotel last night, with Marin's Sen. John F. McCarthy as principal speaker.

Also speaking briefly were D. Frank Monte of Fairfax, general chairman of the convention, and retiring Grand President Shone.

Entertainment was provided by Mary Ann Papina, with accordion selections, and the Golden Gate Harmony Four: Steve Carrick, James Heidinger, Ben Walters and Glenn Dawson.

Assembly Passes Bill To Outlaw Cancer Quackery

SACRAMENTO (AP)—The Assembly, overriding objections it was depriving cancer patients of their last hope, today passed legislation designed to outlaw cancer quacks.

The measure by Sen. John F. Thompson (R-San Jose), previously passed by the Senate, was approved by a vote of 60-11. It now goes back to the upper house for approval of amendments.

The bill sets up a Cancer Advisory Council with powers to investigate drugs, devices and treatments purporting to be cures for cancer. If found to be worthless they could be outlawed.

First and second violations would be misdemeanors, punishable by up to $500 fine and six months in jail or both. A third offense would be a felony.

Red Chinese May Arm Algeria Rebels

UNITED NATIONS, N. Y. (AP)—An Algerian rebel spokesman has indicated the Chinese Communists are going to give his forces arms for their fight against the French.

Abdelkader Chanderli, New York representative of the Algerian rebel government in exile, said yesterday that Red China had promised assistance to a rebel mission which visited Peiping.

"Help is to be given," he said. "Various means of help and so on are on the way to being implemented."

He declined to go into details, saying, "That is a military matter."

Fair And Warmer Weather In Store

SAN FRANCISCO (AP)—Fair and slightly warmer weather should prevail over Northern and Central California for the next two days, at least, forecaster R. V. Wilgus said today.

Manslaughter Suspect Tries Bridge Leap

A 22-year-old San Francisco shipping clerk, Thomas Gale Summers, tried to escape his troubles—which include a manslaughter charge—last evening by jumping off the Golden Gate Bridge.

He was wrestled from the railing by Lt. Carl Poppe of the bridge toll collectors and tow truck driver Harry Wolford, handcuffed by California Highway Patrol Officer J. Jay Flynn, and taken to the psychiatric ward of San Francisco Hospital.

TRIAL SCHEDULED

Summers is scheduled to go on trial June 5 on a charge of misdemeanor manslaughter for the death of a 34-year-old hair stylist. The victim, Carl Armstrong, allegedly was killed in a fight with Summers in front of a San Francisco waterfront saloon on Feb. 22.

Summers also is due to appear in Marin Municipal Court tomorrow on a drunken driving charge.

He was spotted at 6:30 p.m. yesterday clambering back onto the Golden Gate Bridge from the east railing.

"I climbed over to jump and saw land below, not water," he said.

SECOND TRY

He made a second try near the south bridge tower and was grabbed by Lieutenant Poppe, Officer Flynn reported.

A 34-year-old man whose apparent suicide attempt was thwarted Tuesday was identified yesterday as Charles Ashworth Farmer of Boulder, Colo. He is still in a "mentally confused condition," said Dr. Thomas E. Albers, superintendent of San Francisco Hospital.

Also remaining under observation in the same ward was Claude Swapp, 40, an unemployed boilermaker, hauled from the bridge by steelworkers three hours after Farmer's attempt.

Brown Signs Bill For Third Court

Governor To Name New Judge

Marin County was granted a third municipal court yesterday, as Gov. Edmund G. Brown signed a bill creating it.

The bill, SB 188 by Sen. John F. McCarthy (R-San Rafael) will become effective Sept. 19. Governor Brown will appoint the new judge, probably before the effective date.

Public Defender Leonard Thomas has been prominently mentioned for the appointment. Attorneys Julius Selinger and John L. Rockwell also have been suggested.

BUDGET SET UP

The Marin County Board of Supervisors already has taken cognizance of the court in its budget for next year. A total of $34,000 has been set up in the proposed budget for its establishment.

Under the plan, which has not yet been approved by the county's three superior and two municipal judges, the new courthouse annex would be remodeled to handle a third court.

At an estimated cost of $5,400, one of the two big superior courtrooms in the annex would be divided in half to form two smaller courts. A jury room would be turned into judge's chambers.

SALARIES INCLUDED

Salary for the new judge and for two additional deputy court clerks also are included in the proposed budget.

Eight thousand dollars has been set up for furnishing the new court and judge's chambers. This would include furniture, jury box, bench and other courtroom facilities. In addition, $500 is set aside for a basic law library for the judge.

The judges' approval and a decision on which courts will use the new courtrooms, would be reached at a not yet scheduled meeting of the supervisors and the judges.

SENATE GETS INCOME, CIGARETTE TAX BILLS

SACRAMENTO (AP)—The Senate Finance Committee, lifting its temporary freeze of Gov. Edmund G. Brown's tax program, approved the administration's two biggest tax proposals today.

One calls for a three-cent cigarette tax, expected to raise 68 million dollars a year. The other boosts upper bracket income taxes by 71.4 million.

Both measures already have passed the Assembly. The Senate committee action rushes them to the Senate floor for a vote.

The committee previously voted to assign Brown's tax bills to a subcommittee for study.

The income tax bill increases the maximum rate from 6 per cent on taxable income over $25,000 to 7 per cent over $15,000.

Gromyko Invective Rapped By Herter

GENEVA (AP)—U.S. Secretary of State Christian A. Herter warned Soviet Foreign Minister Andrei A. Gromyko in the Big Four conference today against making "unjustified accusations" against NATO of aggressiveness.

Herter, who had not planned to speak today, suddenly broke into the debate on a German peace settlement, to challenge Gromyko's charges.

'SERIOUS TENSION'

He hoped the accusations and invective will be halted, Herter said, because Gromyko's statements could lead to creation of "very serious tension in the conference."

The West blasted a Soviet proposal for a confederation of East and West Germany with a declaration it is impossible to "confederate a system of freedom with a system of bondage."

Ambassador Wilhelm Grewe of West Germany, carrying forward the Allied assault on the Soviet plan for a peace settlement with each side of divided Germany, told the Big Four conference the confederation project was designed to impose political paralysis on West Germany.

DELAYS UNIFICATION

"The proposal of a German confederation does not contribute to the reunification of Germany," Grewe asserted, "but to its postponement, its prevention and, over and above all this, to the political paralysis of the Federal Republic."

Grewe said explanations of the over-all peace plan offered by Gromyko in the conference yesterday were in some respects welcomed by West Germany.

He welcomed Gromyko's assurances that the Soviet Union would not insist on immediate withdrawal by West Germany from its political, military and economic ties with the West.

MISUNDERSTANDING

But assurances on such points could lead to a new misunderstanding, he said, if they caused Gromyko to believe that his whole plan was more acceptable. It can never be accepted by Western powers, he added, so long as it provides for partition rather than unification of Germany.

Herter will meet with the other Big Four ministers tonight at a dinner which could prove a turning point in the wary negotiations over a summit conference agreement.

Some high diplomats attached great importance to the dinner, though it is billed as purely social.

British and French officials said the assembly of 12 top men of the Big Four conference at Herter's villa offered an opportunity to get away from the repetitive formal debate of the regular sessions and come to grips with basic problems.

They even spoke of a possible series of such social affairs as a means of swinging the conference into more private negotiations.

U.S. officials, however, attempted to dampen growing interest in the dinner. They said there was no thought beforehand on Herter's part of trying to get any conference work done or to promote any secret diplomacy.

Belgian King Sightsees In Bay Area

(Picture on page 2)

SAN FRANCISCO (AP) — After night clubbing until the early morning hours with an attractive San Francisco heiress, King Baudouin of Belgium was up bright and early today to sightsee in the San Francisco Bay Area.

After a smiling chat with newsmen, in which he carefully avoided all political or economic questions, the 28-year-old king left with his private party.

"They are all charming," the king beamed in response to the query about American women. Asked how they compare with Belgian girls, he said "They are all the same, all fascinating."

He said he has been especially impressed with the "outgoing" friendliness of Americans, particularly those he has met in the West.

Asked how Belgium made such a fast economic comeback after World War II, he said "The Belgians are workers" and, "American aid was most helpful to Europe in its rebuilding."

Scarcely two hours after his arrival here late yesterday the King was dining with Dolly Fritz, one of the wealthiest women in California and, incidentally, one of the most eligible.

Transit Board Contracts Consultants

SAN FRANCISCO (AP)—The Bay Area Rapid Transit District today signed a $600,000 contract with three firms as engineering consultants in planning a five-county system of fast commute trains.

The three firms are Parsons, Brinckerhoff, Hall and McDonald of New York; Bechtel Corp. of San Francisco, and Tudor Engineering Co. of San Francisco.

They promise to have detailed plans ready by next May for the high speed rail transit system to serve Marin, San Francisco, Contra Costa, Alameda and San Mateo Counties.

Clair MacLeod, president of the transit district, predicted the state will build, from Bay Bridge tolls, a 115-million-dollar underwater tube to link San Francisco and Oakland. Plans for the tube were not included in today's contract.

AFFABLE KING MEETS THE PRESS

Visiting King Baudouin of Belgium (center wearing glasses) faced bevy of newsmen at San Francisco's Mark Hopkins Hotel today before starting out on a round of sight-seeing in San Francisco and the Bay Area. The 28-year-old monarch carefully avoided all political or economic questions but smilingly answered questions about how he liked American women, the United States and Belgian-American relations. New Teacher Pay Schedule Set In Ross

The five trustees of Ross School District last night approved a new teacher salary range from $4,450 to $8,400. To qualify for the top salary, a teacher needs a master's degree plus 12 graduate units and 15 years' experience.

The current salary range is from $4,400 to $7,200. The trustees specified that no person receives more than $600 increase next year.

Supt. Stephen L. Parodi was granted a $250 raise to $12,750 a year.

In other business, the trustees discussed with about 30 parents the new plan to reassign children from fifth through eighth grade. Through this year children have been assigned by age—the older half of each grade is in one class and the younger half in a second class.

The trustees decided to try mixing classes in the upper grades next fall. This decision, made at the April board meeting, was not changed last night. Pupils will get their new class assignments on their report cards, distributed June 18.

The Ross school trustees also:

1. Voted unanimiously against further study of Tamalpais Union High School District unification with elementary school districts inside its boundaries.
2. Accepted the resignation of Jesse Fisher, seventh grade teacher.

FORD WINS RACE TO CALL CAR 'FALCON'

NEW YORK (AP)—Ford Motor Co. has won a race with Chrysler Corp. in naming its new small car the Falcon just 20 minutes before Chrysler tried to get it.

Neither company knew the other was interested in the name. Both had asked the Automobile Manufacturers Assn. to look into the availability of the name. While Chrysler was making its final decision, Ford called in and registered the name.

The Chrysler car will be called the Valiant, while General Motors plans a small car labeled the Corvair. All three cars, to meet competition of imported and American economy cars, go on the market this fall.

Peter Kesseys' Infant Son Dies

Brian O'Sullivan Kessey, son of Mr. and Mrs. Peter J. Kessey of 15 Carlson avenue, San Anselmo, died in a local hospital yesterday, a day and a half after birth.

His father is a sheet-metal worker at Peterbilt Motors Co. in Oakland. Survivors, besides his parents, are his paternal grandparents, Mr. and Mrs. James L. Dunlap of San Anselmo, and his maternal grandfather, H. Hornsby of Long Beach.

Private funeral services will be arranged by Keaton's Mortuary.

Gwyneth Tyler Of Belvedere Dies

Mrs. Gwyneth E. Tyler, a resident of Belvedere for seven years, died in a local hospital yesterday after several months of failing health. She was 74 years old.

She made her home at 2 Madrona avenue with her daughter, Mrs. Norma Martin.

Before coming to Marin County, Mrs. Tyler resided on the San Francisco Peninsula. She was born at Petrolia, Humboldt County, and spent her entire life in California.

She leaves her daughter and son, John A. Tyler of Watsonville.

Private funeral services will be held Saturday at Keaton's Mortuary.

Letter Urges Hospital Secession

A letter urging secession of North Marin from the Marin County Hospital District, which is to be voted on next Tuesday, will be mailed to all registered voters within the 75-square-mile Novato Fire District before Monday, Edward Grundstrom, spokesman for the North Marin Citizens Hospital Committee said today.

"A yes vote is a vote for exclusion," the letter reads. "Exclusion will save North Marin from paying taxes to expand Marin General Hospital.

"This committee feels that hospital beds in North Marin are of prime importance and that placing additional beds at Marin General is not to the best interest of the residents of this area. The present district board (by its own admission) cannot supply beds here for at least 10 years, and then only by passing bonds throughout the county.

"Let's preserve our taxes for hospital facilities (in North Marin) by withdrawing from the district."

Ex-Convict Sought In Double Slaying

BERKELEY (AP)—A divorcee and her boy friend died in a blaze of gunfire in her apartment last night and police started looking for her former husband, an ex-convict.

Estelle Hamilton, 30, was killed with one shot from a .380 Magnum revolver. Lorenzo Bernard, 33, was fatally wounded.

Inspector Richard Young said police are seeking Raymond M. Hamilton, 37. He said witnesses gave police a description of an auto that sped away from the apartment.

Parents Of Ross Pupils To Meet

Special meetings for this year's graduating eighth graders and next fall's kindergarten pupils have been scheduled at Ross Grammar School.

At 7:30 o'clock tonight, parents of eighth grade students are invited to meet with Redwood High School counselors at Ross School, said Supt. Stephen L. Parodi.

The 53 eighth graders will receive their diplomas at 8 p.m. ceremonies on June 17.

Registration of next fall's kindergarten pupils is scheduled for next Wednesday from 1 to 3:30 p.m. at Ross School. Parents must present a birth certificate or other proof that their children will be 5 years old on or before Dec. 2.

Clothing Stolen From Ward Store

Four large cartons of women's and children's clothing, delivered to Montgomery Ward and Co. in San Rafael, were stolen before they could be unpacked for display, a store official reported to San Rafael police yesterday noon.

Allan Ray Treusdell, assistant manager, said the clothing retails for about $545.

$1,500 Diamond Ring Missing From Home

A $1,500 diamond ring is missing from the Nicasio home of retired business woman Ena M. Bunt.

Mrs. Bunt told sheriff's deputies she noticed the gem missing last Sunday when she went to get a bracelet from her jewelry box. The ring has five diamond stones in a platinum setting.

She remembers last seeing the ring about eight months ago in her jewelry box.

Boy Injured By Car Sues For $38,000

Aprecocious 3-year-old driver, Paul Edward Gettle, ran his family's car into a tree in front of their Homestead Valley home at 543 Ethel avenue last evening, reported the California Highway Patrol.

The boy suffered a cut on the left cheek which was stitched up at Marin General Hospital after the 7 p.m. accident.

His mother, Mrs. Edward Gettle, said the car was parked with the wheels toward the curb. It moved only a short distance. She said the small boy knew how to start the car and release the parking brake, reported CHP Officer A. S. Olson.

2 Planes Collide; Both Pilots Saved

NEW YORK (AP)—Two Air Force planes collided and crashed into the Atlantic between Bermuda and the Azores today, the Coast Guard reported. They said the pilot of each plane was rescued.

The collision occurred at 6:45 a.m.

The Coast Guard said the planes were out of Sumter, S. C. The fliers were picked up by the cutter Mendota.

Stouffer To Teach At Sacramento State

Paul Stouffer, superintendent of the Reed Union School District, will teach in the extension program of Sacramento State College in Marysville for six weeks this summer.

Stouffer will teach an undergraduate course in social studies and a graduate course in school administration. His duties begin in mid-June.

Navy Choir To Sing At Hub Church

The Treasure Island Naval Choir, 25 men directed by Alfred Kaeppel, will present a public concert at 8 p. m. tomorrow at the First Presbyterian Church in San Anselmo.

The program will include spirituals, sacred music, light opera and contemporary compositions. The performance will be the first one in Marin county of the Navy choir, organized within the last year.

Guest artists on the same program will be Mr. and Mrs. Stephen Gnagy of Lisbon, Portugal, with "Fado," or song of fate sung by Mrs. Gnagy and "farruca" for guitar played by her husband.

Soldier Sentenced On Exposure Charge

Pfc. Carl Whiteside, 22, of Ft. Baker must spend the next 60 days in county jail for exposing himself indecently to two girls near Central School last March 12.

Whiteside admitted the crime but could give no reason for his action. The girls, 12 years old, said the soldier accosted them across the street from the school.

Whiteside is married and father of three.

Hidden Gun Lands Marinite In Jail

David Wortham, 23, of Marin City, who was charged with shooting another man with a pistol last Sept. 29, must serve 60 days in county jail.

Wortham, who lives at A 28, apartment 222, was convicted of carrying a concealed weapon. Sheriff's Sgt. Guy V. Gibbs and Inspector Guido Battaglia said Wortham admitted shooting Edward Burgins, 26, of House 798, but claimed self-defense.

Burgins said he was sitting on the porch when a man walked up, kicked him, and shot him in the left arm and left thigh. He said it was a case of mistaken identity.

Wortham himself suffered a knife wound in the right arm.

To Take Camp Signups Tomorrow

COVER-UP—Natale Evola of Brooklyn, one of 27 racketeers indicted by federal grand jury in connection with 1957 "gangland convention," covers face as he enters federal court in New York for arraignment today. (AP Wirephoto)

U. S. Indicts 27 Big Name Racketeers

WASHINGTON (UPI) — Federal agents and state police began a coast-to-coast roundup today of 27 big name racketeers who attended the 1957 "gangland convention" in Apalachin, N.Y.

Atty. Gen. William P. Rogers disclosed that all of them were indicted by a federal grand jury in New York on charges of conspiring to obstruct justice by refusing to disclose what went on at the November, 1957, underworld meeting.

CO-CONSPIRATORS

Thirty-six others, including Joseph Barbara Sr., who was host at the conclave in his hilltop Apalachin home, were named as co-conspirators but not defendants.

Some of the men were routed out of bed at 6 a.m. as the nationwide crackdown began.

At mid-morning, the Justice Department said 15 of the defendants had been arrested and the others were being sought.

At least two of the men were reported to be members of the Mafia or ill-famed "Black Hand" society of Italy.

JURY INVESTIGATION

The New York Grand Jury that returned the indictments had been conducting an investigation of racketeering and crime syndicates, particularly in the women's garment industry, and of the East Coast traffic in narcotics.

Rogers said all 27 named as defendants were accused of conspiring to obstruct justice by giving false and evasive testimony about the rendezvous of racketeers at Apalachin. Three face additional charges of perjury on grounds they lied to police, investigating committees and grand juries.

A VERSE FOR THE SPACE AGE

SALT LAKE CITY (AP)—The student newspaper at Butler Elementary School printed some poems offered by the youngsters. Included was this one by Robert Olsen:

"Satellites are red,
"Rockets are blue—
"And if you don't behave
"I'll send you up too."

Boy, 3, Runs Car Into Tree

A 16-year-old boy from Sleepy Hollow, injured last July 10 when a car hit him on Butterfield road, is suing in Marin Superior Court for $38,000 damages.

The suit was filed yesterday by Mrs. Marion Passantino of 1021 Butterfield road for her son, Thomas. Named as defendants are Charles R. Cruthers, Charles Toepfer, Tim Korn, their parents, and several John Does.

According to the complaint, Thomas was standing in front of Sleepy Hollow Homes Assn. on Butterfield road near Irving drive when a car occupied by the defendants crossed the shoulder of the road and ran over Thomas, causing severe injuries including a fractured left leg and injured tendons and muscles.

The boy seeks $38,000 damage and medical costs, while Mrs. Passantino asks for $20,000 damages.

Wife Says Stragnola Abroad For Pleasure

James V. Stragnola, San Rafael bail bondsman accused of soliciting business among prisoners at the Marin County Jail, went on a European trip for pleasure, not for health, his wife said today.

The Independent-Journal incorrectly reported Saturday that Stragnola underwent an operation for cancer in November, 1957. The operation was for ulcers and Stragnola has not required further treatment since then, Mrs. Stragnola said.

65 Teachers To Be Hired For Summer

Trustees of Tamalpais Union High School District last night authorized employment of 65 teachers for summer school programs at Redwood, Sir Francis Drake and Tamalpais High Schools.

Dropped last year because of insufficient funds, the summer programs are being reinstated this year in the wake of voter approval of a 65-cent increase in the school tax rate ceiling.

Supt. Chester G. Carlisle reported that 300 to 400 students are expected to enroll in each of the three summer schools.

In other matters last night, district trustees:

1. Passed a resolution of intent to deed to the Town of Corte Madera a small strip of land on the eastern boundary of the Redwood High School site to facilitate construction of a drainage structure at the Lucky drive entrance to the school.

2. Authorized Carlisle to call for bids for sale of five old district buses ruled unsuitable for school purposes by the California Highway Patrol. The buses, 1940 Gillig models, may be inspected at the district corporation yard behind Redwood high. Bids will be opened by the board at 8 p.m. June 17.

3. Accepted the audit report of Weiser, Dreiman and Weseman, Oakland accounting firm, on the district's 1957-58 books and records.

7 CLASS PERIODS

Tam Schools To Try New Academic Plan

An academic pilot program for advanced college preparatory students with a seven-class period day, will be launched in September at Redwood, Tamalpais and Sir Francis Drake High Schools.

The experiment was approved last night by Tamalpais Union High School District trustees.

The school day will start at 7:30 a.m.

Subjects in the fields of science, mathematics, foreign languages, English and social studies will be taught during the early period.

The pilot program was recommended by the district's curriculum council, composed of teachers, administrators and parents and headed by Frank Torre, district director of instruction.

The recommendation represents the fruit of part of an over-all council study to be completed next January, Torre said today.

"We feel," he said, "that this limited pilot study will give us some concrete information regarding the degree of student and parent interest, the effect on teacher workloads and the effect of a longer school day on students' achievement and continued interest. We feel these are very important questions."

Torre noted that after making an exhaustive study, Dr. James Bryant Conant, former president of Harvard University, stressed the need for extra school periods permitting college preparatory students to take additional subjects.

"We had our district study under way before Dr. Conant started his nationwide tour," Torre said. "As a matter of fact, our district trustees recognized the problem seven or eight years ago when they inaugurated a summer school program. That was the start of it. The new pilot program will be an experiment toward a little bit more.'

Redwood Youth Hurt In Accident

Three Redwood High School boys in a car headed north toward the wide open spaces came to grief at 2:30 p.m. yesterday afternoon on Red Hill road one mile north of Hicks Valley road, reported the California Highway Patrol.

Francis Edward Hevern, 16, of 4 Juno road, Tiburon, suffered a nosebleed when his car careened through a barbed wire fence, rolled over, and came to rest at the foot of a gully.

His two passengers, Roland Garcia, 17, of 29 Juno road, and Marcus Borton, 15, of 105 Jefferson drive, Mill Valley, were apparently uninjured.

Relief Voted For Fumbling Fathers

SACRAMENTO (AP)—The Assembly today voted relief for fumbling fathers who don't want to spend Christmas Eve assembling complicated toys.

The House unanimously passed a bill by Sen. Eugene J. McAteer, (D-San Francisco) requiring that any toys which are not assembled must be labeled as such.

The bill now goes back to the Senate for approval of minor Assembly amendments.

Assembly To Take 2nd Look At L. A. 'World Fair' Plan

SACRAMENTO (AP) — The Assembly voted today to take a closer look at a resolution calling for designation of Los Angeles as the site of a proposed 1963 world's fair.

"We are buying a pig in a poke about which we know absolutely nothing," said Assemblyman Jesse M. Unruh (D-Los Angeles). "It seems we have an aura of mystery about this resolution."

The house voted 68-3 to reconsider the resolution by Sen. Hugh M. Burns (D-Fresno), which it adopted yesterday. The Senate adopted the measure Tuesday.

The fair is being sought by a group headed by former Lt. Gov Harold J. Powers which is called "California World's Fair Inc."

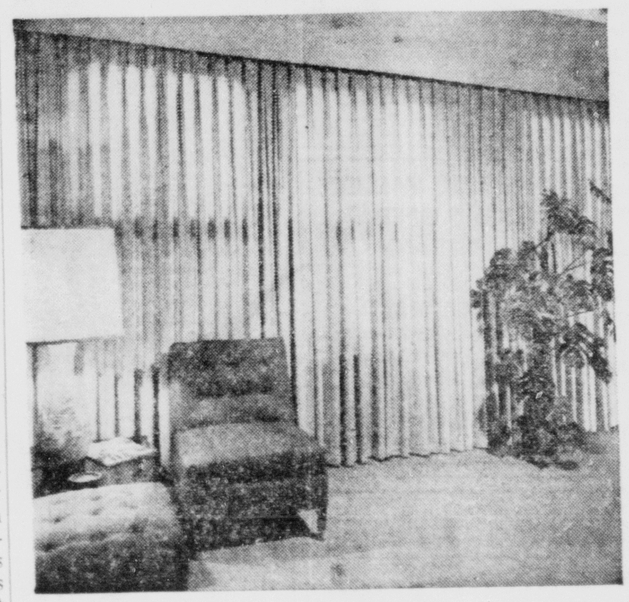

Unruh said one of the group's members has estimated a 25-million-dollar state appropriation would be needed to stage the fair.

Assemblyman Bruce Sumber (R-Santa Ana) warned: "We'll have another Squaw Valley on our hands. A private organization asks us to back an event and we pay for it."

Assemblyman Charles E. Chapel (R-Inglewood) asked Unruh if "something is rotten in Los Angeles?"

Unruh replied: "I don't like to say rotten, but I do detect a faint odor."

The principal region of foreign trade of the United States is the Western Hemisphere, half of these exports-imports being with Canada and Mexico.

House Demos Defeat Ike In Housing Fight

WASHINGTON (AP) — House Democrats, riding high after an initial victory over administration forces, fought today to prevent cuts in their $2,100,000,000 omnibus bill.

On a key vote yesterday, the House slapped down President Eisenhower's supporters by killing a proposed $1,300,000,000 substitute for the housing measure brought to the floor by House Banking Committee Democrats.

The vote was 203-177, with a coalition of Republicans and Southern Democratic conservatives on the losing side.

Some cuts below the amount proposed by the Banking Committee seemed likely before general passage, however.

The new public housing features of the measure were sure to come under especially sharp attack from many Democrats as well as Republicans. The bill would authorize 35,000 public housing units a year for four years. Neither the Eisenhower program nor the defeated substitute proposal provided for such structures.

There were GOP warnings that the Democratic measure faces a certain veto if it is enacted without change.

A secondary battle was being fought over methods of financing housing loans and grants.

The House voted tentatively 149-145 to require congressional review of all housing spending, and to make federal housing officials justify their programs each year before Congress provides the money.

Major features of the Democratic bill, when the House started to work on it, included a three-year, one and one-half billion-dollar program of slum elimination, 400 million for college housing loans, 100 million for housing for the elderly, 140,000 new units of public housing and lower down payments on FHA home mortgages.

4 Senators Seek To Close Tax Loopholes

WASHINGTON (AP) — Four Democratic senators called today for legislation they said would close tax loopholes and bring in additional revenues estimated at two and one-fourth billion dollars.

Such legislation was prepared for introduction by Sens. Joseph S. Clark (Pa.), William Proxmire (Wis.), Eugene J. McCarthy (Minn.) and Paul H. Douglas (Ill.).

Clark's bill would eliminate numerous luxury items now taken as ordinary business expense deductions for tax purposes. These would include entertainment at night clubs, theaters and sporting events, as well as maintenance of yachts, hunting lodges, gifts between businessmen, country club dues, and travel to conventions outside the United States.

Proxmire's bill would withhold the tax at the source on certain dividend and interest payments, as is now done in the case of wages and salaries.

McCarthy's bill would repeal the 1954 special credit and exclusion from taxation of income from dividends.

Douglas' bill would reduce the oil and gas depletion allowance on a sliding scale basis by reducing the existing 27½ per cent depletion allowance to 15 per cent for those who receive income from oil and gas properties in excess of five million dollars per year, and to 21 per cent for those with oil and gas income between one and five million dollars a year.

STOCKS TODAY

NEW YORK (AP) — Rails rallied in an irregular stock market late this afternoon. Trading was fairly active.

Volume for the day was estimated at 3,300,000 shares compared with 3,550,000 yesterday.

Gains and losses of most key stocks were kept within a one-point range but some leading carriers were up around two points.

A spurt of more than two points by Northern Pacific inspired the rails. Illinois Central and Baltimore and Ohio advanced about two each.

Rail freight carloadings for the last week were reported close to the 1958 high.

New York Central and Chesapeake and Ohio gained more than a point each.

Space age stocks recovered briefly from their sharp drop then relapsed to further losses. They began to improve again late in the session. Texas Instruments was up about two and General Tire a fraction while Thiokol was steady. Raytheon was off more than a point.

Allied Chemical and Du Pont fell about two apiece.

Small gains were posted for American Telephone, Standard Oil of Indiana, Merck, U.S. Steel, Woolworth and Air Reduction.

Senate Unit To Quiz Hoffa On Reported Strike Threat

WASHINGTON (AP) — The Senate Labor-Management Committee says it wants to hear first-hand James R. Hoffa's views on any retaliatory strike threat.

Hoffa, Teamsters Union president, denied yesterday he had threatened a nationwide labor walkout if restrictive labor laws are passed by Congress. He was quoted as making such a threat in a speech Tuesday at Brownsville, Tex.

The committee said it wanted to question Hoffa in mid-June about corruption, and will ask him then under oath about plans for any such strike.

Hoffa told newsmen there never would be a nationwide strike of the Teamsters Union. However, a story in the current issue of Life magazine quotes him as saying, "We may eventually have to do what labor unions do in Europe and call general strikes."

JAMES R. HOFFA
Denies strike threat

While Hoffa was making his denials, the AFL-CIO, from which the Teamsters have been ousted, opened a major attack on the Senate labor bill.

Ross Man Elected To PG&E Board

Rabies Shots Are Still Mandatory

SACRAMENTO (AP)—Dogs in rabies areas are still going to have to take their shots, whether they stay in houses or not.

A bill to exempt dogs on leashes or those always fenced in was sent out for a two-year study yesterday by the Assembly Public Health Committee.

The author, Assemblyman John L. E. Collier, said the mandatory shots hurt some dogs' health and declared: "We're treating dogs worse than people."

Assemblyman George Crawford (D-San Diego), replied: "I think a lot more of children than I do of any dog."

AF Recovers Nose Cone In Atlantic

CAPE CANAVERAL, Fla. (AP) —The Air Force hurled a tiny nose cone of the future 6,000 miles down the Atlantic today and recovered it intact four hours later.

It was the second consecutive time the Air Force retrieved a nose cone. .

The Air Force announced some eight hours after a powerful two-stage Thor-Able rocket blasted aloft that re-entry and impact of the cone was spotted by a plane cruising near the impact area northwest of Ascension Island.

The cone, which carries some of the secrets for protecting the warheads of intercontinental ballistic missiles of tomorrow, was hoisted aboard a vessel, part of the search fleet that rendezvoused near the impact area. The launching rocket, a Thor missile topped by a Vanguard second stage, roared up at 1:40 a.m. and was in sight for more than two minutes.

Employment Here Continues High

Reports of continuing high employment were heard at last night's meeting of the Marin County Labor Council in Painters Hall in San Rafael.

An exception to the general trend was reported in the Operating Engineers Union. Delegate H. O. Foss said work for operating engineers is not as plentiful as in previous years. But it's improving, he said.

The council adopted a resolution in support of increasing the national minimum wage to $1.25 per hour, reported Secretary Hugh Cassidy.

Firemen's Assn. Meets Tomorrow

CHARLES B. McCURDY
International scouter

Marin Scout Executive To Go Abroad

When Charles B. McCurdy quit teaching school to become a Boy Scout executive, he little dreamed the career would include living abroad.

But next week, McCurdy will leave the assignment he took in 1955 with the Marin County Boy Scout Council to become a scouter in Spain and Morocco.

Idaho-born McCurdy, who is district Scout executive of the Southern Marin district, was chosen by national officials of the Boy Scouts of America to be one of the executives of the BSA's trans-Atlantic Council, a little publicized program that takes American-style Boy Scouting to sons of U.S. armed forces personnel stationed abroad.

Headquarters of the Trans-Atlantic Council, which serves Americans in 15 nations of Europe, is in Heidelberg, Germany. McCurdy's headquarters will be in Madrid. From there, he will supervise local Scout units at U.S. bases in Spain and Morocco.

The European assignment is for three years. McCurdy and his wife (who was born Dalila Martinez so may feel a little at home in Spain) and their two children will visit McCurdy's parents in Pocatello, Ida., before flying by Military Air Transport Service to Madrid.

McCurdy's Marin assignment was his first in Boy Scouting. He taught school in Arbon, Ida., for a year before coming to the Scout job here.

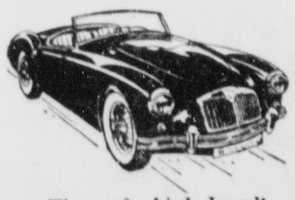

He thinks one reason he was chosen for the overseas assignment is that he majored in Spanish at Idaho State College in Pocatello.

Twin Cities Recreation Board Studies Budget

The Larkspur-Corte Madera Joint Recreation Commission Tuesday night held a general discussion of budgetary requirements for a 1959-60 recreation program, but took no specific actions. Three of the seven members were absent.

Mrs. Morton J. Simon, secretary, said the commission's next regular meeting, scheduled for Tuesday, has been canceled. She said a special meeting on the budget probably will be held the first week in June.

State Continues To Go Into Red

SACRAMENTO (AP)—California's state government is steadily going into the red.

Latest figures compiled by Controller Alan Cranston show the state is continuing to spend more than its income at a clip that has finance officials worried.

Cranston reported general fund expenditures from July 1, 1958, to April 31 as $1,055,560,131, and revenues as $941,904,539.

The difference: $113,655,592.

It was the first financial accounting by the controller since his recent warning that the state would have to pay its bills with IOUs—registered warrants—unless the Legislature enacted Gov. Edmund G. Brown's tax program.

Brown has asked for tax measures to bring in 202 million dollars this year and 256 million for a full year.

The Finance Department originally estimated the carryover deficit from the Knight administration at 68 million dollars. The Legislature cut it by 55 million by advancing the collection date on insurance company taxes.

The department now expects that economies ordered by Brown since taking office in January will reduce the deficit to approximately seven million dollars. The fiscal year ends June 30.

Cranston's figures are based on cash on hand, after payment of bills, and do not reckon tax revenues due.

The state's fiscal picture looked a little brighter in April. Revenues topped expenditures by $2,252,659. The reversal of the deficit trend was attributed partly to the fact that income tax payments started arriving during the month.

Cranston, who has had to borrow regularly from special funds to meet month-end obligations, said it may not be necessary to tap others funds in May.

Truck Rams Car Head On; Six Killed

SAN JOSE (UPI)—Six persons were killed last night when a pickup truck—traveling in the wrong lane of Bayshore freeway with its lights off—collided head-on with a car carrying five young women.

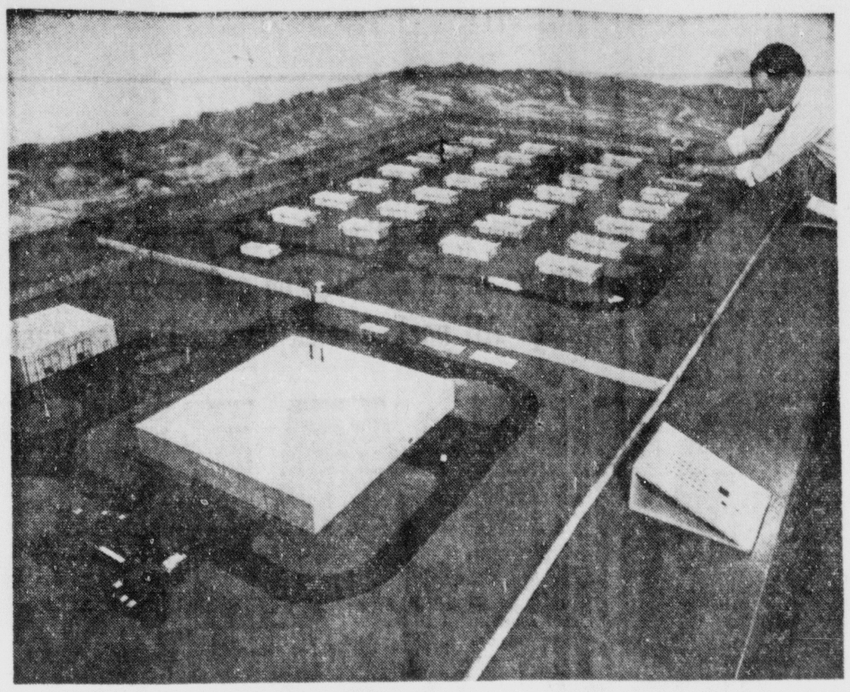

The five victims in the auto were student nurses at St. Mary's Hospital in San Francisco. They were Dolores Mae Goudreau, 20, Hayward, driver; Lois W. Wyrwa, 21, Helen Patricia Wilkinson, 20, and Shirley Jane Onetti, 22, all of San Francisco, and Nancy Joan Sullivan, 20, Roseburg, Ore.

The truck driver was Warren P. Hamilton, 43, Los Altos.

Witnesses told the California Highway Patrol the accident occurred at 11:25 p.m.

They said Hamilton was driving the truck southbound without lights in the northbound lane when the collision happened.

The pickup slammed head-on into the auto and all occupants of both vehicles were killed instantly, patrolmen reported.

BASE FOR BOMARC MISSILES

This scale model prepared at Boeing Airplane Co. gives an idea of how Boeing Bomarc missile bases will look. In foreground are assembly and maintenance hangar and other utility buildings. The 28 shelters in background each would house a Bomarc Model B missile ready for firing. Northwest bases for the new model missile would be at Camp Adair, Ore., and Paine Air Force Base, Wash.

Wind, Rain Continue To Hit Eastern Half Of Nation

By ASSOCIATED PRESS

The season's longest spell of wet weather, with violent storms in some areas, showed no indication of a general breakup today in the eastern half of the nation.

Severe windstorms hammered areas in the nation's midsection and parts of the South yesterday. One tornado struck a rural area in southern Iowa, injuring five members of one family. Funnel clouds were spotted in central and eastern Kansas.

Tornadic winds lashed sections of Kansas, Iowa, Nebraska and Missouri. Torrential rains caused floods in some sections of the Midwest wet belt, including Iowa, Illinois, Wisconsin and Nebraska.

Winds ranging up to from 70 to more than 80 m.p.h. swept across the midlands as thunderstorms erupted with the clashing of warm and cool air. Hail fell in many areas.

The storms caused extensive property damage.

Parts of Florida were soaked by heavy rain. Nearly five inches fell in the Jacksonville area and a three-hour downpour at Ruskin measured four inches.

Nebraska Mass Slayer Must Die Tomorrow

LINCOLN, Neb. (UPI)—Charles Starkweather's last chance to escape the electric chair apparently died last night when Gov. Ralph G. Brooks rejected a plea by the mass killer's girl accomplice for a stay of execution.

Caril Fugate, 15, sentenced to life imprisonment for murder in connection with Starkweather's rampage, appealed to the governor to delay the execution so she could meet with him in Death Row in an effort to clear her name.

The governor's refusal means Starkweather, 20, must go to his death in the electric chair as scheduled shortly after 6 a.m. tomorrow.

Caril's attorneys made public a letter she wrote to Starkweather pleading for him to proclaim her innocence before he dies.

"You know that you are the only one who knows the truth beside God," she wrote.

Caril was convicted of helping Starkweather in one of 10 killings the red-haired former garbage collector committed during his January, 1958, murder spree. Starkweather later admitted killing another person in December, 1957.

The former garbage hauler, unrepentant and snarling when police stopped his murder spree near Douglas, Wyo., Jan. 29, 1958, underwent a change in attitude during his 15 months on Death Row.

Last month, in his second unsuccessful try for commutation of sentence, he told the state Pardon Board that he felt life had become worth living. "I didn't think much of it before," he said.

"I can always hope," Starkweather said then. "I'm sorry for what I did. If there was a way I could bring them back, I would."

The board took only a few minutes to decide against commutation. Earlier, a Starkweather appeal to the state Supreme Court had failed.

Michigan Able To Pay Its Employees

LANSING, Mich. (AP)—Payday meant just that today for Michigan's nearly 27,000 state-employed workers.

Contrary to the situation two weeks ago, there was sufficient money in the state treasury to meet the $5,100,000 biweekly payroll.

The May 7 payday was bypassed in the state's cash crisis.

Since then an increase in incoming tax receipts has closed the gap.

Auditor Gen. Frank S. Syzmanski indicated a decision will probably be reached this week on whether to release $6,700,000 to the state's three major universities — Michigan, Michigan State and Wayne State—to meet month-end payrolls.

FLAG RISES AGAIN AT OLD SCHOOL — Nicasio 4-H Club boys raise California bear flag at old Nicasio School for its dedication as historic landmark by Native Sons of the Golden West. (Independent-Journal photo)

Native Sons Dedicate Old Nicasio School To '3 American Principles'

By DONALD G. DAVIS

An old-fashioned school bell rang over the hills and meadows of Nicasio yesterday as delegates to the 82nd Grand Parlor of the Native Sons of the Golden West gathered to remember "the dear old Golden Rule Days."

After the tolling of the bell there was the pledge of allegiance and the singing of the national anthem. But the crowd did not move indoors to blackboards, inkwells or the snap of hickory sticks.

It remained outdoors for the solemn dedication of the Little Red Schoolhouse—the Old Nicasio School that was built in 1871—four years prior to the forming of the Native Sons.

"One of the functions of the Native Sons," said grand president Raymond H. Shone of San Rafael, "is to dedicate public buildings — mostly new ones. This one is dedicated today to illustrate just what is done by the Native Sons. It is our hope that more and more local powers will invite the Native Sons to perform dedications in order to bring out a colorful and interesting history."

Peter T. Conmy, director of historical research for the Native Sons, and a member of Presidio Parlor 194 of San Francisco, traced the history of the area and the school.

"Perhaps this is a rededication," he said, "because the pioneer of the west always provided for his children as homes were founded. We rededicate the school as agents of the pioneers.

"Don Timoteo Murphy (commissioner in charge of Indians during the Mexican period of California) petitioned for three land grants and one of these was Nicasio, which was to be used as an Indian reservation.

"It had the idea of welfare about it. The area was slow in growing but it attracted paper mill and powder mill industries.

"The first school here was a rude structure built in 1866. Then the people prospered and built this school in 1871 for $3,000. It was called the most handsome one in Marin."

Shone bought the school and the property around it two years ago for a weekend retreat, but is dedicated to preserving the original appearance of the school. D. Frank Monte, convention chairman, commended Shone and his wife, Marianne, for offering to "perpetuate the Little Red Schoolhouse."

Actual dedication ceremonies were performed by Shone; Larry J. Lefleur, junior past president; John B. Schmolle, newly elected grand president; Leo M. Travers, second vice president, and George H. Eweat, grand trustee for Edward H. Both, third vice president.

A bronze plaque was laid at a corner at the entrance to the building as Shone dedicated the building "to three American principles — liberty, tolerance and truth."

The plaque was sealed into place with a mixture of sand and gravel from all parts of the state, cement from "all the mills of California," and water from the site of each of California's missions.

The sand and gravel represented the "essence of California," the cement typified the efforts of California industry, and the water the "beauty of spirit" of the state.

At the close of the ceremonies, the more than 400 persons attending from convention headquarters in San Rafael went to Rancho Nicasio where chuck wagons were set up for a deep-pit barbecued beef dinner.

Among distinguished members at the dinner were Mr. and Mrs. Joseph R. Knowland Sr. Knowland, dean of past grand presidents of the Native Sons, is publisher of the Oakland Tribune. The Knowlands also attended the grand ball Tuesday night, and last night they attended the annual banquet.

Prior to the school dedication, a car caravan carried delegates out Sir Francis Drake Boulevard to Samuel P. Taylor State Park, where they visited the marker dedicated by Marin Native Sons and Daughters in 1956 at the site of the first paper mill on the Pacific Coast.

The tour took delegates through nearly every type of representative Marin landscape, from urban areas to redwood groves and from farmlands to dairylands sprinkled with lupine and California poppies.

The tour ended with a glance at the Nicasio redwoods after an afternoon of eating, swimming and a softball game.

Teachers Get Pay Hike In Sausalito

Sausalito School District trustees, at a special meeting last night, gave all the district's 45 teachers a pay raise of $100 a year and deferred action on a possible increase for principals.

Supt. Marcus F. Davis said the boost raises the minimum to $4,500 annually and the maximum to $7,100.

The action was a prelude to a discussion of the district's preliminary budget which will be continued at next Monday night's regular meeting, Davis said.

Radio Panel Airs Pros And Cons Of Proposed Freeway At Novato

Pros and cons of state plans for an elevated, dirt-fill freeway through Novato were aired today on radio station KTIM's "Marin Sounding Board."

Panelists on the program, which will be rebroadcast from a recording at 12:30 p.m. Sunday, were:

R. A. Hayler, district engineer for the state Division of Highways; George Barnwell, Novato editor and a director of the Novato Chamber of Commerce; T. Fred Bagshaw of Mill Valley, deputy director of the state Department of Public Works, and William Jonas, member of the Novato chamber's roads committee.

TELLS REASON

Hayler outlined the highway division's reasons for planning the elevated, dirt-fill freeway through Novato, as he recently disclosed them to a group of Novato leaders in his San Francisco office.

Essentially the reasons are that bypassing the community instead of running the freeway through Novato would increase its cost by about three-and-one-half million dollars, and constructing a concrete overhead viaduct such as that which overpasses San Rafael would add a million dollars to the cost of the freeway through Novato.

Barnwell argued for a bypass, claiming it would be worth any additional cost in advantage to the community by allowing downtown Novato to be a unit instead of being divided by the freeway.

START OVER AGAIN

He asked the highway division to start over again on its Novato plans. He argued that good highway planning, not influenced by considerations of how much has already been spent on the present plan, would result in a freeway which would bypass downtown Novato.

Bagshaw contended that no matter what kind of a freeway is built at Novato, the result will be a great improvement for the community.

The freeway will eliminate the Highway 101 "barrier" which now runs through the community, he said, and permit through traffic to move without interfering with local traffic.

AGAINST DIRT-FILL

Jonas said Novato opinion is predominantly against the dirt-fill feature of the freeway plan, but does not generally object to its location or to the fact that it is to be elevated.

He advocated a concrete viaduct to carry the overheard freeway, arguing that it would permit better frontage roads along side because it would not extend so far to each side as would a sloping dirt fill. Also it would provide a parking area underneath, he noted.

School Board Urges Merger Study Halt

Trustees of the Lagunitas School District by 4-1 vote last night recommended discontinuing the Tamalpais Union High School District unification study "as it is now being conducted," reported Supt. Clifford L. Frye.

Mrs. A. E. Larsen cast the dissenting vote. The study is to determine if a proposal to consolidate the high school district with elementary school districts within its boundaries should be submitted to the voters.

In other business last night, Superintendent Frye announced kindergarten registration for next fall would be held at Lagunitas School on June 4 from 9:30 a.m. to 3 p.m. Parents must present a birth certificate or other proof that their children will be 5 years old on or before Dec. 2.

The trustees were informed officially that San Anselmo School District will purchase one of its surplus metal buildings for $535. The district has a second building it is trying to sell to a school district or other public service agency.

Hearing On Bar Charges Delayed

Hearing of Alcoholic Beverage Control Department charges against the Flamingo Inn, Sausalito tavern, has been postponed from June 1 to June 29 and scheduled to continue four days, the department announced today.

The hearing has been called to determine whether the state should revoke the liquor license of the inn on Bridgeway, which is held in the names of Edward H. and Joan Moore.

A state agent and Sausalito police recently arrested a man in front of the Flamingo for allegedly making a lewd proposition. The state contends the bar is a hangout for perverts.

Sausalito Trustees Start Budget Study

Trustees of the Sausalito School District wrestled with a preliminary budget for the next fiscal year at a special meeting last night but reached no final decision, according to Trustee George R. Kowski.

Further discussion is scheduled at next Monday's meeting, he said. Trustees also discussed briefly selection of an architect for the proposed new Marin City School, but deferred action pending inspection of several new schools in the area.

VFW TO SELL POPPIES TOMORROW

Poppies will bloom on Marin streets tomorrow.

Selling crepe paper poppies will be members of Veterans of Foreign Wars posts and their auxiliaries.

The poppies are made by disabled veterans in hospitals. Money raised through the sale goes to assist the disabled veterans and their families.

Incorporation Unit To Meet

The Novato Home Rule Committee will meet at 8 o'clock tonight at the North Marin Title Co. office in Novato to take stock of how its incorporation petition drive is going.

Clark M. Palmer Jr., chairman, said today he still has not received from the county assessor's office figures on the total assessed valuation within the proposed boundaries of a city of Novato.

The petitions must contain signatures of persons representing ownership of 25 per cent of the area's valuation before the Marin County board of supervisors may call an election.

Palmer said reports from precinct captains indicate the petitions are being "well accepted in the subdivisions."

Man Runs Ad, Gets Hired For Murder

LOS ANGELES (UPI)—An "ex-soldier of fortune" told today how his newspaper advertisement seeking adventure led to an electronics engineer trying to hire him to kill a love rival for $2,000.

Only in this case, the "rival" was already married to the woman—a high school teacher at Santa Fe, N.M..

Arthur Herbert Reeser Smith, 50, was arrested in nearby South Pasadena last night as he turned over part-payment and a promissory note for the alleged murder fee.

The ex-soldier of fortune, Charles Hitchcock Johnston, 44, said Smith tried to hire him to "arrange a fatal accident to a man in New Mexico who was alienating the affections of Smith's girl friend."

Johnston said he met Smith as the result of a newspaper ad he placed in the Sunday Pasadena Independent-Star News which said:

"Ex-soldier of fortune will accept and perform any dangerous mission."

Smith allegedly identified the intended victim as Joseph B. Reed of Santa Fe, N.M., the husband of the former Elaine Worthington.

Novato Board Still Likes School Site

Trustees of the Novato Unified School District have declared themselves in favor of continuing plans to develop the Connell property off South Novato boulevard, despite county planning staff recommendation against it.

The planning staff Monday notified the county planning commission that development of the site just south of the Nave Shopping Center would be unwise because of county plans to extend Hill avenue through a portion of the property.

Novato trustees this month agreed to buy the 10-acre site for $6,000 per acre. Final approval of the purchase is before the state Allocations Board.

"It's morally wring," declared Trustee George Jennings Tuesday, "that this mall group of dreamers (the planning commission) should go against the interest of the people of Novato."

Topeka, Kan., welfare officials have shut off aid to relief clients who have television sets and air conditioners.

Marin Catholic High To Mark 10th Anniversary With Annual Fiesta

Marin Catholic High School, two-million-dollar school plant on a terraced Greenbrae campus opened 10 years ago.

This weekend's fund-raising Marin Fiesta at the high school will be a joint 10th birthday celebration and reunion. Ten thousand persons are expected to attend.

The fiesta proceeds are to help finance expansion at Marin Catholic, which has space for only two out of every three applicants.

The fiesta will run from 2 p.m. to midnight on Saturday and Sunday. Dinner will be served in the school cafeteria from 4 to 9 p.m. Saturday, and from 3 to 9 p.m. Sunday.

Marin Catholic's history actually began in 1890, when Most Rev. Patrick W. Riordan, archbishop of San Francisco, accepted a tract of land in Marin.

In January, 1949, work on the school was begun. It opened its doors in September with 268 students and with Rev. Edward R. Allen as principal. Rev. Lawrence A. Ryan, now principal of Marin Catholic and its 700 students, joined the faculty in 1950.

The high school faculty is made up of priests of the Archdiocese of San Francisco, Sisters of the Holy Names, laymen and laywomen.

In the 10 years since Marin Catholic opened, its sudents have won more than 50 major scholarships and awards.

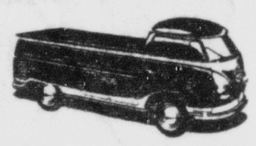

Bank of America Achievement awards of $1,000 went to Fred Styles in 1956 for vocational arts; Francine Rogers in 1957 for liberal arts, and Robert Hass in 1958 for science.

David Del Tredici, a 1955 graduate with the $5,000 Kimber award, is to receive this year the University of California Phi Beta Kappa key in music, a Woodrow Wilson National Fellowship of $1,500 and an Alfred Hertz Memorial Traveling Scholarship of $3,000 which will take him to Princeton University for graduate study in music.

Richard Del Tredici, his brother and now Marin Catholic student body president, won a University of California scholarship this week.

Marin Catholic students have placed consistently in statewide public speaking contests. Bob Ferrera, student body president of University of San Francisco, won $500 in 1954 in a tournament sponsored by the Native Sons of the Golden West.

Protests Cause Mill Valley To Delay Action On Business License Law

Objections to Mill Valley's proposed new business license ordinance, voiced by vending machine operators and some local businessmen caused the Mill Valley City Council last night to postpone vote on adopting the measure until its June 3 meeting.

City Manager A. E. Almcrants reported there had been numerous objections to the proposed fee schedules. He read two letters from vending machine operators complaining that the proposed fees would put them out of business.

William Woods, operator of a termite service and vice president of the chamber of commerce, appeared to protest. He claimed only a small amount of his firm's work is in Mill Valley. Since the new fee schedule based on the number of employees, his fees would be excessive.

Acting Mayor Peter H. Behr suggested the matter be deferred until the June 3 meeting, at which time the chamber of commerce will be asked for a recommendation. Behr emphasized that final action will be required at that meeting for the new ordinance to become effective with the start of the new fiscal year July 1.

Councilman George W. Blackwell was absent. Mayor Robert D. Huber arrived later in the evening.

Wtih a delegation of girls from Mill Valley Girl Scout Troop 167 watching proceedings, the city council also:

1. Passed a resolution requiring removal of weeds and rubbish from certain parcels of property and setting June 3 as date for objections.

2. Commended Public Works Supt. Louis Brunini and consulting engineer Roy M. Trotter for their parts in satisfactory completion of the city's $582,000 sewer plant expansion, and formally accepted the project.

3. Introduced a resolution annexing a portion of Enchanted Knolls now in county territory.

4. Continued to the June 3 meeting consideration of the proposed new building code and excavation ordinances.

5. Accepted the final map and performance bond from Sterling Development Co. for proposed site improvements in 12 acres of Garden Hills, following specifications of City Engineer Albert H. Siemer. The council commended the developers and their engineers for their "excellent cooperation in caring for the city's wishes."

6. Postponed until the June 3 meeting action on revocation of a use permit for auto dealer Herb Shapiro.

7. Instructed City Atty. Thomas C. Nelson to prepare for the next meeting the status of the temporary occupancy permit granted the De Lasaux liquor store on East Blithedale avenue, since the basic use permit was issued for a building which was never built by owner Bert Randolph. Councilman Elizabeth Rodman noted that original plans showed the liquor store as only a portion of a larger structure.

8. Approved banning parking on newly built Gomez way adjacent to Tamalpais High School.

9. Proceeded with plans for improvement of Bolsa avenue under assessment district proceedings over the objections of attorney Lawrence Jordan, and set June 17 as a hearing date to consider changes in type of improvements.

10. Approved payment of warrants totaling $42,226.25.

Hydrant Policy To Be Reviewed

Commissioners of the North Marin Water District, meeting with commissioners of the Novato Fire District Tuesday night, agreed to review a recently adopted policy which would increase the cost of fire hydrant use by the fire district.

Fire commissioners had complained that the changed rates would cost the fire district an additional $1,000 per year for hydrant service.

The water board last month decided to charge a flat rate of $1.50 per hydrant per month for the fire district's unlimited use of the water for fire fighting and practice. Previously, rates were determined by several factors, including how long the hydrant had been in use and its location.

Adult, Youth Authority Posts Filled

SACRAMENTO (AP)—A Mexican-born naturalized citizen and a Los Angeles County probation official will fill vacancies on California's Youth Authority and Adult Authority.

Gov. Edmund G. Brown named the two, Juan C. Acevedo of Riverside and John W. Brewer of Los Angeles to the $16,500-a-year posts yesterday. Both appointments require Senate confirmation.

Acevedo, 45, a Democrat, will succeed Ben V. Stein of Los Angeles on the CYA. Stein's term expired March 15.

Born in Chihuahua, Mexico, Acevedo was graduated from UCLA and has had more than 30 years experience in scouting. He is executive secretary of the Community Settlement Assn. in Riverside.

Brown said he believes this is the first time a native of Mexico has been appointed to a state post.

Brewer, 43, also a Democrat, replaces Everette M. Porter of Los Angeles on the Adult Authority. Porter's term expired March 15.

A former recreation director for the Los Angeles City schools, Brewer has been in the county probation department since 1941. For the last five years he has been probation director in charge of the department's Southwest Area Office.

The Adult Authority sets terms of prison inmates and acts on parole applications. The Youth Authority performs the same functions for young offenders.

Fire Destroys Trucking Firm

SAN FRANCISCO (UPI)—A three-alarm fire destroyed the garage, offices and warehouse of a Mission District trucking firm last night and damaged buildings on either side.

The fire broke out at approximately 11 p.m. at the F and L Van Lines building on Folsom street. A force of 125 firemen and 60 pieces of equipment was called to combat the blaze.

Neighboring residences were evacuated when the flames soared to 100 feet. Damage was estimated at $100,000.

HOUSE COOL? JUST TURN ON WALLPAPER

MOSCOW (UPI) — Soviet scientists say they have developed a wallpaper that can heat a house.

The wallpaper, already in use at the Institute of Chemical Technology in Moscow where it was developed, is composed of three layers of rubber-like synthetic material.

The middle layer is a conductor and when current is passed through it can heat the fabric to 104 degrees, according to the Industrial Economic Gazette.

The Gazette said the covering also may eventually be used to heat railway cars, automobiles and planes.

Pair Found Guilty Of Gambling

Two Marin City laborers, caught in a dice game last Friday night, must pay a $50 fine each and remain on probation for one year.

Jeff Cook, 48, of House C-42, Apartment 329, and George King Jr., 49, of A-31, Apartment 245, declared they knew nothing about gambling at Building B-2, Apartment 545.

Deputy Dist. Atty. Harold F. Wolters called Deputy Sheriffs Fredrick Marcus and James Baird, who testified they saw about 15 men shooting craps in the apartment. While they radioed for reinforcements, all but Cook and King fled.

Cook and King insisted they had gone to the apartment of their friend, who invited them in for snacks and drinks. While they were preparing snacks, the officers stepped in, the suspects declared.

Officers said Cook and King were putting blankets away and sweeping up the place when caught.

Judge Albert F. Scheidecker of Sebastopol, sitting in Marin Municipal Court, found both men guilty of gambling after the brief trial.

Many Marin Students To Spend Summer Months In Foreign Lands

Thirteen Marin County students will live abroad this summer in the Experiment in International Living, Mr. and Mrs. George W. Wheelwright of Muir Beach, joint chairmen of the Experiment's Marin committee, announced today.

Three of these are scholarship winners. The remaining 10 will live in Europe under the auspices of the program but will finance their own trips to a major extent, Mrs. Wheelwright said.

The scholarship winners are: Ian Schiller of Tamalpais High School, son of Mr. and Mrs. Hans Schiller, 22 Madrone Park circle, Homestead Valley, who will visit Great Britain; Thorley Turner of Redwood High School, son of Mr. and Mrs. W. L. Turner of 60 Elm avenue, Larkspur, who will visit Sweden; Kenneth Wagstaff of Drake High School, son of Mr. and Mrs. John E. Wagstaff of 300 Hidden Valley lane, Sleepy Hollow, who will visit Switzerland.

Other students who either attend schools or make their homes in Marin and who will live abroad under auspices of the Experiment in International Living are:

Susan Ensler, now attending University of California, daughter of Mr. and Mrs. Harry Ensler, 127 Pepper avenue, Larkspur, she will visit Israel.

Jane Crellin Everett, a student at Katherine Branson School and daughter of Mr. and Mrs. Wallace W. Everett of St. Helena. She will visit Austria.

Stephen Fowler, a University of California student and son of Dr. and Mrs. Donald C. Fowler, 17 Cornelia avenue, Mill Valley, he will visit Switzerland.

Ann Goldblatt from Tamalpais High School, daughter of Mr. and Mrs. Louis Goldblatt of 432 Lovell avenue, Mill Valley, she will visit Mexico.

Dorothy Hinshaw, now studying at Stanford University, daughter of Dr. and Mrs. Corwin C. Hinshaw Jr., of 8 Crest road, Belvedere, she will live in Germany.

Vera Houk of Dominican College, daughter of Mr. and Mrs. Charles J. Houk of Dousman, Wis., she will visit Austria.

Kathleen Kuehn, San Rafael High School student and daughter of Mr. and Mrs. Anton Kuehn, 255 Jewel street, San Rafael, she will summer in Germany.

Pamela Richards of Tamalpais High School, daughter of Mr. and Mrs. Norman D. Richards of 618 Oakdale avenue, Corte Madera, she is scheduled to visit Holland.

Cressey Wallace, now a student at Stanford University and daughter of Dr. and Mrs. William B. Wallace of 111 Stetson avenue, Kentfield, she will visit Spain.

Judith Webb of Redwood High School, daughter of Mr. and Mrs. Wayne H. Webb, 404 Woodland road, Kent Woodlands, she will travel to Sweden.

Visitors Bureau Lauded For Convention Assistance

The 82nd annual convention of the Native Sons of the Golden West, held in San Rafael, ended today and the 600 or more people drawn here by the event are on their way home again to various parts of the state.

We hope they enjoyed their visit here. We hope they will come back again—and not wait seventy years to do so as was the case after their last previous convention here in 1889.

Theirs was the first sizable convention to be attracted to Marin since the San Rafael Chamber of Commerce and the Marin Development Foundation became interested a couple of years ago in the prospect of developing a tourist and convention "industry" here.

Both the chamber's Visitors Bureau and the foundation "did themselves proud" in assisting in convention arrangements.

Programs were supplied, welcome banners arranged for and other assistance given to the Native Sons convention committee—headed by D. Frank Monte of San Anselmo—by the Visitors Bureau and the Development Foundation.

Both organizations deserve a "well done" for their assistance.

Now comes the job of studying the situation to see what can be done to improve convention facilities — so as to attract more in the future.

The sooner the Visitors Bureau and/or the Development Foundation are able to persuade somebody to construct more hotel or motel accommodations here, the better. We cannot hope to attract many convention groups in the 500-plus size unless or until we have more adequate accommodations, preferably "under one roof."

An improvement less difficult to bring about would be to provide for better and more complete "welcome" decorations in the San Rafael downtown area.

It is to the credit of the Visitors Bureau and the Development Foundation, as well as a few scattered businesses, that some flags and bunting were in evidence.

But there needs to be much more visual display if visitors are to feel welcome, and townspeople are to remember that visitors are among us in substantial numbers.

As we say, this improvement is not difficult to bring about. More income from increased membership in the Visitors Bureau and Development Foundation would enable those organizations to arrange for improved street decorations during conventions—as well as do a score of other things to attract more tourists and conventions to Marin.

Hummingbirds In The Fuchsias

The fuchsias in many Marin yards are just commencing to bloom about now. Ours have just started and already the hummingbirds are hovering about them. Hummingbirds seem to be attracted to the fuchsias like a boy to a pretty girl or a child to ice cream.

The way these tiny fellows fight over the ambrosial nectar of these plants gives us the impression that it is mighty good and perhaps slightly fermented. The way these birds zoom away from the fuchsias and often run their bills through our screens might tend to confirm this theory.

However, drunk or sober, the hummingbird with his acrobatic flight and flashing colors is one of Marin's most attractive birds. When it teems up with one of Marin's favorite flowers, it presents a picture of beauty hard to beat.

HAL BOYLE'S COLUMN

Widespread Aquaholism Would Bring Host Of Social Problems

By SAUL PETT
For Hal Boyle

NEW YORK (AP) — At first the news seemed reassuring to some of us. We even felt a little smug.

But as we thought about it the whole thing became very disturbing.

The news came from London. Two doctors there reported that some people can get plastered, stoned, bombed, potted, crocked embalmed, stiff, inebriated, drunk, and awful silly on just plain water.

There were nine case histories of people who began with some emotional distress and found themselves reacting to water the way the rest of us react to too much liquor. Tanked up with water, their speech slurred, eyelids drooped, minds became giddy. They got handgovers the next day.

For us old-fashioned whisky drinkers, the news was strangely pleasing at first. All along, we suspected water drinkers as being too self-righteous; behind all that rampant white virtue there had to lurk some dark vice. Now we know.

Still, it's unsettling to think about the water addict — the Aquaholic, the potential member of Aquaholics Anonymous. The bad water drinker could become more of a social problem than the alcoholic. There's so much of the stuff around.

How would you get a guy off this cheap sauce? Where would you hide him?

Every swimming pool would be suspect. So would every bath and shower and no Aquaholic could be allowed to take either alone. The worst possible way to begin a marriage with one would be a honeymoon to Niagara Falls.

The office water cooler would take on pathological overtones. The phrase, "Ice water in his veins," would take on a dark meaning and TVA, Grand Coulee Dam and every irrigation project from Arizona to the Negev would suddenly acquire new fanatical supporters.

THE PROBLEMS don't end there. Which wagon would the Aquaholic go on after he makes his New Year's resolution? Certainly not the water wagon.

How would you bring him back to life on the morning after? Black coffee would be verboten; it has water in it. Likewise tomato juice. Even 100-proof whisky would be out because it has 50 per cent water. Liquid mercury would be safe except it would kill him.

OIL AND WATER, you say, don't mix. Right! Give him cod liver oil, castor oil, or just crankcase oil.

That would sober him up but in the process you'd be getting the water addict well-oiled.

Charles John Chiesa, a railroad worker, and Walter Lindman, lumber company employee, were sworn in as special police officers by San Rafael City Clerk Eugene Smith at request of Police Chief Barney Ruschetti.

Negotiations for sale of the Pedrotti ranch to the War Department by the County of Marin bogged down because no legislation existed by which the government could acquire additional property for Hamilton Field expansion.

San Rafael City Council voted 4-1 for an ordinance limiting Greyhound buses to four passenger stops within the city limits, to the delight of bus-riders in the audience who feared they would cut the stops to only one.

WHAT OUR READERS SAY

'World Religion' Should Be Taught

EDITOR,
Independent-Journal:

There has been a lot of controversy about the inclusion of any religious teaching (on a sectarian basis) in our public schools. This is understandable as this community is made up of many worthy religions and we have churches of various denominations, all of them performing with credit in the area of sound morals and general deportment. This would include Catholic, Portestant and Jewish faiths, not to mention some few off-shoots with some Liberal tendencies in the field of Reason and Philosophy.

It might seem that a solution to this controversy lies in a new course in our curriculum, the course named "World Religions." This course would not only embrace the Christian Faiths, but would encompass such worthy creeds as Confucianism, Hindooism, Mohammedanism, Judaism, Shintoism, and not forgetting the simple faiths of the Esquimau, the Laplander, the American Indian, and the South Sea Islanders, who do NOT require a police force for survival nor overcrowded prisons!

This course would start in our secondary schools, at the critical age when the student can begin to think for himself. It would tend to destroy bigotry and asinine superstitions and legends. The student could make his own choice of any faith he wanted to embrace, if any, or he might want to follow the humanitarianism of Ben Franklin, Geo. Washington, Thos. Paine, Robt. Ingersoll, Pasteur, Thos. Edison and others too numerous to mention. The graduates of such a course might produce some improvement in the Art of Living! Without our shameful record of juvenile delinquency and crime.

Marin County has a bonanza in the introduction of such a course — and we have plenty of smart people in our Board of Education who will study this and do some acting.

ROSCOE DRUMMOND

In Due Time Rockefeller Will Emerge As Active GOP Candidate

NEW YORK — It is entirely reasonable that Gov. Nelson Rockefeller should keep his counsel as to whether he is going after the Republican Presidential nomination next year.

It is entirely reasonable that reporters should do their best to extract that secret from the inner recesses of his political thinking.

THE REAL QUESTION at issue is not whether Nelson Rockefeller would choose 1960 as the best time to try for the Presidency. It is almost certain that he wouldn't. The doubt is not whether he would like the nomination, welcome it and accept it. He would. The real question at issue is whether he will actively seek the nomination, take steps to get it.

Mr. Rockefeller is not saying. But, based on every fact and factor I can put my hands on, my judgment is:

That he will seek the 1960 Presidential nomination, that his attitude will not be passive but active, and that the extent of his activity will depend largely upon how much activity is needed to get it.

There are many reasons why I am convinced that Mr. Rockefeller cannot resist and, indeed, will seek the Presidential nomination next year.

With rare exceptions the New York Governorship is a built-in springboard to the nomination — and always has been. As one of his friends put it to me, "Nelson has a lot going for him without lifting a finger."

Mr. Rockefeller did not get the New York nomination without seeking it. He knows he will not get a Presidential nomination without seeking it. I cannot escape the conviction that he would cherish and welcome the chance to serve in the White House. He likes public service and has talent for it.

It is my observation that most of the people working with the Governor intuitively accept the premise that he is a candidate, however unavowed at this time. And some of his close associates, like New York State Chairman L. Judson Morehouse, are busy warming contacts around the nation.

SOME SAY the office must seek the man. To an extent it does, but I suggest that it has rarely, if ever, found him unless the man was also looking for the office. If Mr. Rockefeller does not seek and win the nomination next year, the prospect is that there will either be a two-term Republican or a two-term Democrat in the White House until 1968 — at which time he probably wouldn't be Governor of New York.

So, while 1960 may not be the best time for Nelson Rockefeller to run, it may be his only practical opportunity.

If "events" are going to determine the nomination, as he often remarks, the question is: when is Mr. Rockefeller going to begin doing his part to shape those events? This is a matter of timing and the phrase which best encompasses that decision is: "you don't shoot until you are within range of the target."

Idea For Combined City, County Of Marin Keeps Rearing Its Head

THE IDEA OF a city and county of Marin keeps making an appearance in a shamefaced way, always with an apology for being too far out on Cloud 9.

Last week a sampling of opinion from the man in the street about Larkspur-Corte Madera merger turned up one person who thought a City and County of Marin was the ultimate.

Personality apparently is standing in the way of the merger proposal in Corte Madera. It has become lost somewhere in the labyrinth of Corte Madera's "organization-man" town government.

To judge from other consolidation attempts in Marin, the idea of a city and county of Marin will never make much headway either.

TAKE FOR EXAMPLE the study on consolidating Tamalpais Union High School District with all the elementary school districts within its boundaries. The resulting school system, not particularly large when compared with others in the state, would take a child from kindergarten through 12th grade.

This may look like a very sensible proposal on the surface. The school superintendents, highest paid among schoolmen, and the many elected five-member school boards would be replaced.

The way things look now the study committee may drop its study before the proposal ever gets to the voters.

It seems that long-range advantages do not loom large but that the short-term disadvantages do.

Some oppose unification because of a fear that they would "lose local control."

Some oppose unification because their district would lose its special advantages — like Ross with a public school that very closely resembles a private school or Kentfield with its high tax rate and special, rapid-learner program.

Eventually, the Marin resident feels the effect of the many small districts in a sensitive spot — his pocketbook.

WHICH BRINGS TO mind one of the oddest requests ever received by the County Board of Supervisors.

The Marin County Taxpayers Assn. has asked for $5,000 during the next fiscal year for promoting Marin County.

The reasoning is this: the taxpayers association by working for a lower tax-rate is inviting immigration into the county. Having drummed up more people to share taxes (assuming that needed services are not going to increase cost by the same proportion), the taxpayers association deserves some support by public money.

The supervisors will vote on this request on Monday. They will also vote on requests from the Marin Development Foundation, San Rafael Chamber of Commerce, and various cultural organizations, all of whom have pointed out to the supervisors that their activities help bring outsiders into Marin County.

San Rafael High School's class of 1924 met at the Mission Inn to reminisce and discuss happenings of the past 25 years. Most of the alumni were married, but only one, Mrs. Thomas Falvey, was a grandparent. She was the former Mildred McCurdy, class valedictorian.

Irving Blabon was named chairman of the Citizens Memorial Day Committee, which was to plan San Rafael's Memorial Day parade and plaque services.

Marin Hospital District board agreed to meet with osteopathic physicians and surgeons before formulating a policy as to whether osteopaths would be permitted to practice in the proposed district hospital.

Iraq Not Likely To Become New Arab Satellite Of Soviet Union

ALTHOUGH THERE are many who think so, it seems to me misleading to suppose that the Russians have staged the Berlin affair as a distraction — in order to divert attention from their ambitions in Iraq and in the Middle East.

The stakes in Germany are much bigger for them and for us than in Iraq. For in Germany the Soviet Union and the Western alliance, each armed with nuclear weapons, confront one another directly. Neither can or will surrender its vital interests to the other, and if they cannot find an honorable and acceptable modus vivendi, there may be no alternative to a great war.

As compared with this, the cold war about Iraq and Iran, though important and dramatic, is nevertheless secondary.

The oil of Iraq must find its market in the West. The Soviet Union has no need of it, in fact no use for it. The Soviet Union will, therefore, not go to war to seize Iraq as it would most probably go to war to hold Eastern Europe. The West, for its part, will not go to war about Iraq because, when the chips are down, Iraq with its oil fields, like Egypt with the Suez Canal, must have a trading arrangement with the West.

THE PRACTICAL conclusion to be drawn from this is that however bad things may look in Baghdad, the one thing above all that we must not do is to write off Iraq, and then treat it as a Communist satellite in the same class with North Korea and North Vietnam.

Even though the Iraqi Communists may dominate the government, which they have not yet done, we should not regard the situation as final and irreparable. Egypt has taught us that as between Arab nationalism and Soviet Communism there is much flirtation, there may even be a heavy affair, but there has not yet been any indissoluble marriage.

The main reason for this, so I venture to think, is that there is no common frontier between any Arab state and the Soviet Union.

With the exception of Albania, which is not much of an exception, the genuine Soviet satellites are all countries into which the Red Army has marched, and could march again. For this reason, Iraq, which does not touch the Soviet Union, is not likely to become a satellite. For the same reason, Iran, which does have a common frontier with the Soviet Union, is a great risk if ever there is a break-up of the Shah's regime.

OUR WISEST course in the Middle East is to refrain from any threats or promises which in a show-down, we could not carry out.

In our relations with the Iraqi government we should be unexcited and reserved. We should make it plain, but without excessive rhetoric, that we believe in the independence of Iraq — that we believe and support her independence of Iraq — that we believe and support her independence of the great powers including the Soviet Union and the United States — that we believe in her right and her capacity to find her own place in the Arab world.

This is a realistic policy. It is not "dynamic" and it is not dramatic. But it is all that the traffic will bear.

The old policy has collapsed. It was based on the illusion that Iraq could be aligned with the West by subsidizing and arming an oligarchy that was aligned with the West, and that this artificial arrangement could be regarded as a military bastion against the Soviet Union.

The architects and supporters of the old policy looked upon themselves as hard boiled and tough minded realists. But the structure they built disappeared in a night. Let us then beware of those who would like somehow to resurrect that old policy.

The Country Parson

"If you think you know th only right way to do a jo . . . you haven't served on church committee."

Seminary Teaching Hit At Baptist Convention

LOUISVILLE, Ky. (AP) — A North Carolina pastor charged today that Southern Baptist theologians are teaching that Christ's virgin birth and resurrection may be viewed as myths.

The criticism was considered likely to stir an uproar at the denomination's annual convention. Southern Baptists always have firmly stressed traditional doctrines.

But as the church representatives from across the country went into their third day's sessions, Rev. James S. Bulman of East Spencer, N.C., issued a statement saying:

"I have what I consider clear and conclusive evidence that under the official supervision of the seminary president, Southern Seminary is teaching so as to allow that the resurrection of Jesus Christ is a myth, and that the virgin birth of Jesus Christ is a myth."

He told newsmen he will present material backing up his charge in a special period set this morning for considering a simmering dispute at Southern Baptist theological seminary here.

The accreditation of the 100-year-old seminary, oldest in the denomination, has been brought in question as a result of the firing last summer of 13 professors.

Rev. Bulman, a perennial critic of denominational procedures and fervent advocate of all-out independence of local congregations, said he has been informed that the professors were removed for "not holding the historic Baptist doctrinal position."

Seminary officials have said doctrinal questions did not enter into the professors' dismissals.

Big Navy-Marine Exercise Starts Off South Coast

SAN DIEGO (AP)—A fleet of 60 Navy ships, including troop transports and helicopter carriers, steamed off the Southern California coast today in the largest Navy-Marine amphibious maneuver since 1957 in the area.

The transports carried 16,000 Marines of the 1st Division, who completed embarking with equipment at San Diego, Long Beach Camp Del Mar and Oceanside yesterday.

The fleet will simulate a trans-ocean approach on the coast for two days, and warships will practice gunnery with bombardment of San Clemente Island.

A landing rehearsal will be held off Coronado Saturday, in preparation for the "invasion" of Camp Pendleton next Thursday by beach assault and helicopter-borne troops.

Strawberry Sets Recreation Plans

Cal Riemcke, director of the Strawberry summer recreation program, told directors at their meeting last night that his six-member staff has been completed and that all is in readiness for registration on June 29.

Directors noted that the cost of the program will be the same whether the family resides within or outside district boundaries. Average cost per family is estimated at $20.

Chairman L. J. Smith appointed a committee headed by member Richard C. Paine to develop a tentative budget for submission at the June 17 meeting.

Funds Asked For Survey Of Pt. Reyes

WASHINGTON (AP) — Congress was urged yesterday to give the National Park Service $15,000 for an economic and land use study of the proposed Point Reyes national seashore recreation area in Marin County.

Rep. Clement W. Miller (D-Calif.) and Sen. Clair Engle (D-Calif.) told the Senate Appropriations Committee the 28,000-acre area will be lost if Congress fails to act quickly to preserve it.

Miller said recreation is a 40-million-dollar annual business in his district.

He said there is a population of three million within a 75-mile radius of Pt. Reyes. The owners of the area, he said, might be willing to sell their land to the government now, but if Congress does not act speedily it will be sold to others.

X15 Makes 4th Captive Flight

EDWARDS AIR FORCE (AP)—The rocket ship X15, locked under the wing of a B52 bomber, was carried aloft today on its fourth captive flight.

It was scheduled to be up about an hour for tests of flight characteristics and its many systems.

The craft, scheduled to blast man 100 miles high at 4,000 m.p.h., is behind schedule in its tests.

Originally it was to have started glide tests last December, with powered flights this spring.

Problems with electronic systems have slowed the program.

Perhaps one more captive test will be made before the first glide test, in which the craft is let loose from the mother bomber and glides to a landing at this desert air strip.

IT DOES MAKE QUITE A BIT OF DIFFERENCE

WINSTON-SALEM, N. C. (AP)—Darcus E. Soles of Tabor City wrote Prof. Jasper L. Memory Jr., director of the Wake Forest College summer session, that it was Miss, not Mister Soles.

"I thought that I should call your attention to this as it will probably have some bearing on the room assignment," Darcus wrote after receiving a letter from the school addressed to Mr. Soles.

Professor Memory decided it had quite a bit of bearing. Red-faced, he reassigned her from a men's to a women's dormitory.

Supervisors To Vacation For 3 Weeks

The Marin County Board of Supervisors will take a three-week vacation in June.

Board members decided yesterday to start their vacation after their June 9 meeting, returning to the courthouse June 30.

The board also:

1. Agreed to extend for one year an agreement to maintain the road from Fairfax to the Meadow Club, as requested by the City of Fairfax.

2. At request of Assessor Bert W. Broemmel, endorsed SB 1085 pending in the state Legislature which, according to Broemmel, would place registration of small boats in the hands of county assessors and aid in efficient collection of taxes on boats.

Steel Talks Resume

NEW YORK (AP)—Negotiations resumed today between the United Steelworkers and the steel industry in an effort to reach agreement on a new contract covering half a million workers.

Four-man teams on both sides are endeavoring to reach settlement before June 30, when the old three-year contract expires. Talks were recessed at noon yesterday after a session last several hours.

The union seeks unspecified wage raises, a cut in the 40-hour work week, and other benefits. Current wages average $3.03 an hour.

Married—On A Bet

LOS ANGELES (AP)—Pretty Anita June Jackson, 19, said that after their marriage ceremony her husband Rex, 25, left her.

She said that three days later he met her on the street, told her he had married her to win a bet at a party, and added. "Why worry? You're not hurt."

Mrs. Jackson's testimony won her an annulment.

Medical Plan Wins

WASHINGTON (AP)—A bill to establish a 50-million-dollar annual program of cooperative international medical research has been sent to the House by a 63-17 Senate vote.

Senate Republican Leader Everett M. Dirksen waged a futile floor fight against it yesterday, basing his argument principally on its cost.

The bill's chief sponsor, Sen. Lister Hill (D-Ala.) said administration officials had endorsed its purposes.

Hill said this bill would help mobilize the world's top medical brains.

Silver Strike Recalled

WASHINGTON (UPI)—President Eisenhower signed a bill yesterday authorizing the issuance of 1,000 medals commemorating the 100th anniversary of the first "significant" discovery of silver in the United States.

The discovery was made in Nevada in June, 1859.

Bathyscape 'Perfect'

SAN DIEGO (UPI)—The Navy today hailed the first operational dive in the open Pacific of its bathyscape Trieste as "very successful and operationally perfect."

The craft descended 700 feet yesterday and stayed submerged for 2½ hours with its co-builder Jacques Piccard and Navy scientist Dr. Andreas B. Rechnitzer aboard.

The Navy plans to use the experimental craft to pioneer the way for new types of submarines and new discoveries about the watery depths. It is capable of diving to depths of as much as 20,000 feet—more than three miles.

Czech Diplomat Flees

LONDON (AP)—Britain today granted political asylum to a Czech diplomat who fled his post in Iran, reportedly with valuable information about Red spy networks in the Middle East.

The Home Office announced that Dr. Jan Maier, former secretary in Czechoslovakia's Tehran legation, has been given permission to stay in Britain indefinitely.

Maier, who is 50, arrived in London April 27 with his wife, and two sons, 10 and 8.

Liz To See Children

NICE, France (AP)—Elizabeth Taylor's three children by former marriages flew here today for a reunion with their honeymooning mother and Eddie Fisher.

Accompanied by a secretary and a nurse, they were the last to leave the plane bringing them from New York via Barcelona.

Next week, Miss Taylor flies to London to make a film with Montgomery Clift.

Volcano Quiets

STROMBOLI, Italy (AP)—Stromboli volcano has quieted down. The volcano on this tiny island off northeast Sicily blew its top Tuesday in one of the strongest eruptions in recent years. No one was injured.

Drive Safely, Or Flunk

HAVERHILL, Mass. (AP)—Police Chief William A. Ross said today high school seniors found guilty of traffic violations after their prom tomorrow night will lose their diplomas as well as their licenses.

Ross said he had arranged with Acting Principal Donald Evans to withhold the diplomas of graduates convicted of auto charges.

He said the action was taken to help prevent serious accidents which have marred similar dances in this area recently.

Newsmen Asked To Spy

TOKYO (AP)—The Japan Congress of Journalists protested today because a government agency asked a Japanese newsman to gather military and economic information on a trip to Communist China.

The newsman, Kyodo news service reporter Maso Mukai, said on his employer's orders he refused the request from the Cabinet Research Bureau, and also declined to answer similar questions put to him by officials of the bureau on his return from Peiping last April.

Soviets Send Food

CASABLANCA, Morocco (AP)—The Soviet Red Cross today delivered 1,000 tons of food for refugees from the Algerian war.

Typewriter, Camera Stolen

A typewriter and a camera were stolen in two different burglaries reported to the sheriff Tuesday.

Robert Campbell of Campbell Realty at 1112 Grant avenue, Novato, arrived at work Tuesday and noticed his portable silent typewriter, worth $95, gone from the desk. Campbell said the doors of his office may have been left unlocked.

Howard Bunce, 25-year-old Petaluma salesman, complained that his $145 camera with flash attachment was stolen from his unlocked car somewhere on his rounds between Mill Valley and Sausalito on Monday.

World Federalists To See Three Films

The United World Federalists of Northern California, Inc., will show three short films on May 28 at 8:15 p.m. at Ross Grammar School.

The films will be "United Nations Charter Review," narrated by Vincent Price; "Membership in the United Nations," with Vanessa Brown; and "A Permanent United Nations Police Force," with Henry Fonda.

WAR II 'MISTAKE'

Forgive Inturnment U. S. Asks Nisei

WASHINGTON (UPI) — The government has publicly sought forgiveness from thousands of Americans of Japanese ancestry for the "mistake" of forcing them into World War II relocation centers after the attack on Pearl Harbor.

At a ceremony yesterday attended by high government officials, the Justice Department formally completed a program to return U. S. citizenship to most of those Nisei who renounced it in a wave of bitterness against their confinement.

Atty. Gen. William P. Rogers said the program was an attempt to "make up for a mistake our nation made" toward a group of its citizens. Asst. Atty. Gen. George C. Doub expressed hope that the Nisei would "have the charity to forgive their government."

Rogers said 72,000 persons of Japanese ancestry were forced out of their West Coast homes and into the centers over three years. He said 5,766 Nisei renounced their citizenship and 5,409 since have asked that it be returned. So far 4,978 have recovered status as U. S. citizens.

Bill Abolishing Special Fair Fund Tabled

SACRAMENTO (AP)—An Assembly-passed bill to abolish the state's special fair and exposition fund was tabled yesterday by the Senate Governmental Efficiency Committee.

The measure by Assemblyman Thomas Rees (D-Los Angeles) would have transferred the money, set aside specifically for fairs, to the state's general fund. Rees said the transfer would mean a saving of $5,000,000 during the coming fiscal year.

Any future revenue from the fairs, principally from horse racing would also go into the general fund, and fairs would be given only the money needed to operate them, rather than flat appropriations as now.

The bill was tabled without comment by the committee, acting on recommendation of a subcommittee headed by Sen. Charles Brown (D-Shoshone).

However, the committee approved a measure by Sen. Edwin J. Regan (D-Weaverville) which would transfer unappropriated money from the fair fund to the general fund after fairs are given money to meet their actual needs. The bill was sent to the Senate Finance Committee.

FAVORIATE Sport Memos

Speaking of sportsmanship always brings to mind the great yachtsman, Sir Thomas Lipton. In looking up the records on this event I find that in 1850 a group of New York yachtsmen bought the "America" and sent it abroad to compete . . . It defeated 14 English boats and brought the trophy back to America where ever since the race has been called the "America Cup." . . . Sir Thomas Lipton brought his famed "Shamrocks" to this country to compete unsuccessfully on five different occasions . .

Rigney To Use McCormick As New Day Game 'Weapon'

Lefty Most Effective On Day After A Night Game

(Picture on page 14)

Manager Bill Rigney of the San Francisco Giants had a new weapon today for blasting the enemy and it wasn't exactly a secret one.

"Mike McCormick" the taut Rigney enthused about his southpaw fastballer after yesterday's 6-3 victory over the Milwaukee Braves.

"He seems like the right kind of a pitcher to use on the day after a night game. A lot of clubs seem to be a little sluggish if they come right back to the park the afternoon following a night conquest. And so McCormick's fast one could be even more effective."

Milwaukee, which had walloped the Giants 8-1 on Tuesday night, lost by three runs yesterday thanks to McCormick's good pitching, a sterling relief job by Sam Jones and Felipe Alou's sharp bat.

McCormick had held the front running Braves to five hits including Hank Aaron's 12th homer when the ninth inning started. Then he gave up a single to Andy Pafko and Johnny Logan raced out a bunt for another hit.

Jones came in at that point, fanned pinch-hitting Stan Lopata and got Mickey Vernon and Ed Mathews to hit into fielder's choices which ended the game.

SECOND TRIUMPH

So with Sad Sam's assistance, Mike was assured of his second triumph against two losses. Bob Buhl went all the way for Milwaukee and his mark now also is 2-2.

The Giants get today off and then open a three-game visit in Los Angeles tomorrow night where Lefty Johnny Antonelli is Rigney's choice to open. Alou, who drove in three runs while getting as many hits in four trips, gave McCormick a 2-0 bulge in the fourth inning with his seventh home run of the season after Orlando Cepeda had singled. Cepeda's run was unearned as he got life when catcher Del Crandall dropped his foul fly for an error.

WAGNER ERRS

Milwaukee notched one run in the fifth and two in the sixth on Aaron's homer followed by Pafko's single which drove in another unearned marker. This was set up when leftfielder Leon Wagner made a two base error on Joe Adcock's fly. The boot developed when Wagner collided with centerfielder Willie Mays who came running over to grab the ball. Wagner did not hear Willie calling for it, got a glove on the sphere and lost it.

The Giants put across the two deciding run in the sixth on a walk to Mays who scored on Alou's two-bagger. Daryl Spencer followed with another double which tallied Felipe.

Another pair of San Francisco runs came home in the eighth without benefit of a hit as Buhl gave up two walks then made a throwing error before retiring the last two men.

Acute Lack Of Vets For '500' Classic

INDIANAPOLIS (AP)—The Indianapolis Motor Speedway is suffering from an acute shortage of experienced drivers, with 44 cars still to make qualification runs for the 500-mile race May 30.

Only about 30 men with the ability and experience to drive at more than 140 miles an hour were available for those 44 cars. They will get their chance to qualify Saturday and Sunday.

Fourteen cars qualified last weekend, leaving 19 places open in the 33-car starting lineup. After 19 more cars have qualified, the slower ones may be bumped from the lineup by faster qualifiers.

The driver shortage may lead to considerable car hopping in the final qualifications. A car may qualify only once, but a driver whose car is eliminated may try again in another.

3 CARS WRECKED

Three of the 61 cars originally entered have been wrecked beyond repair.

Drivers and mechanics predicted that 141 miles an hour would make the field.

Accidents in practice runs this year have killed two drivers. Track officials defended the testing procedure. Steward Paul Johnson said 139 drivers have passed the test since he came here as an observer in 1939, and only two have had a serious accident in their rookie year.

Killed this year were rookie Bob Cortner of Redlands, Calif., who had pust completed his driving test, and Jerry Unser of Lakewood, Calif., who qualified last year but went out of the race in the first lap.

FRIEND LOSES AGAIN

White Sparks Cards To Fourth Straight

By ASSOCIATED PRESS

The St. Louis Cardinals finally have made a move to see how the other half lives in that National League pennant chase.

They're still seventh, just five days free of the cellar and eight games shy of first place, but the Redbirds are on their first real winning streak of the season after whipping Pittsburgh and winless Bob Friend 11-1 last night.

It was the Cards' fourth straight success and they did it on the six-hit pitching of Wilmer (Vinegar Bend) Mizell and the second successive three-RBI game by former San Francisco Giant Bill White, who has six hits in eight trips for two nights.

That put St. Louis within four games of the first division after Los Angeles slipped to fourth by splitting a twi-night double-header with Cincinnati. The fifth-place Reds beat the Dodgers 7-5 after an opening 8-4 defeat.

The San Francisco Giants retained second, ending Milwaukee's winning streak at six games, 6-3, and the Chicago Cubs remained in third with a 7-5 decision over the Philadelphia Phillies.

Mizell (5-1) walked two, struck out four and shut out the Pirates on four hits over the last eight innings. The Cards had a six-run second inning, handing Friend his seventh loss in a winless season.

Joe Pignatano belted a three-run homer as the Dodgers wrapped up the opener with six runs in the seventh inning after Roy McMillan missed second base on what would have been an inning-ending double play. Danny McDevitt (3-2) gave up 10 hits, after holding the Reds hitless for five innings, while beating Brooks Lawrence (3-4).

Don Newcombe, now 2-2 against his old mates, won the nightcap for the Reds with a six-hitter.

Ernie Banks' 10th homer, a three-run drive in the eighth, won for the Cubs and Moe Drabowsky (2-3), who needed relief after Harry Hanebrink's pinch two-run homer in the seventh.

Cal Golfer Sets Course Record In Memphis Tuneup

MEMPHIS, Tenn. (UPI) — A star-studded field of 99 pros and 20 amateurs, led by "unknown" Don Whitt of Borrego Springs, Calif., teed off at the Colonial Country Club today in the $25,000 Memphis Open Golf Tournament.

Whitt, 28, who never has won a major PGA tournament, set a competitive course record in the Pro-Am event yesterday with his blazing seven-under par 63.

The handsome Whitt toured the front nine of this par-70, 6,423-yard course in one over par 35, but stroked a brilliant eight-under par 28 on the return nine.

Whitt did not score a birdie until the ninth hole, but had six of them on the back nine plus an eagle three on the par-five 13th when he holed out a 35-foot shot from a sand trap.

Spark plug heir Frank Stranahan of Toledo, Ohio; Tommy Jacobs of Whittier, Calif., and Johnny Pott of Shreveport, La., each shot 65's.

Win Over Vargas No Glory For Machen; Rematch Sought

The only thing on tap today for heavyweight prospects Eddie Machen and Rueben Vargas was a rematch.

No hollering for a shot at Floyd Patterson's world crown; nobody even asking for Pete Rademacher.

Machen, 197½, won a 10-round decision over Vargas, 189½, in a nationally-televised bout last night at the San Francisco Cow Palace that was supposed to send one man or the other climbing up the fistic ladder. Machen had entered the bout as the fifth-ranked challenger; Vargas was unranked, but in his last bout he decisioned Tony Anthony in New York.

When last night's bout was over, neither man had covered himself with glory—although there was quite a blood letting.

NEITHER HURT

And both claimed after the bout that the other wasn't "such a much" as a puncher.

"Vargas doesn't punch in the same class with Ingemar Johansson, Nino Valdes or John Holman," Machen said. "He nailed me good, but he never hurt me."

Said Vargas:

"I guess I lost the fight according to the decision. But none of Machen's punches hurt me. He does not hit nearly as hard as Tony Anthony."

So Machen's manager, Sid Flaherty, said he would like to have his boy meet Vargas in a rematch. "It would draw good," said Flaherty.

Said Bert Brodose, Vargas' co-manager:

"If Vargas had adopted Machen's style in the bout the referee would have thrown both men out of the ring."

OFFICIAL CARDS

Referee Verne Bybee had it 98-95; Judge Jack Downey, 96-94; Judge Matt Zidich, 97-95—all for Machen.

Paid attendance at the match was 11,172. Gross receipts totalled $57,272.50.

Neither fighter was decked, but each hit the canvas from a push. In the third round Vargas pulled Machen off balance and shoved him to the floor. This irked Eddie so much that when the referee moved in to wipe off his gloves Machen shoved him away and went tearing after the mustachioed Mexican.

CUT OPENED

In the fifth session Machen retaliated by shoving Vargas to the deck. It was in this round that Eddie's steady flow of left jabs and an occasional cracking right hand opened a wound over Vargas' left eye. It bled in every round thereafter as Machen kept up the machine-gunning left jab.

The only times either fighter appeared in much trouble were in the second and third rounds when Vargas shook up Machen with round-house right hands to the head and in the fifth when Machen opened Vargas' wound and shook him up with his first real display of power.

In the final 10 seconds of the last round a desperate attack by Vargas opened an inch-long gash under Machen's right eye, but it was too late to do any damage.

The crowd booed the decision as Vargas was the sentimental favorite.

BUMPER CROP OF DEER PREDICTED

SACRAMENTO (AP) — A bumper crop of deer for California hunters this fall was predicted today by the State Department of Fish and Game—if:

1. The weather is favorable.

2. Hunters have a normal amount of luck.

The department said an unusually high number of bucks survived last deer season. Moreover, fawn production and winter survival has been improving for the last two or three years.

But the state's water shortage may cause high summer deer loss, especially in coastal areas.

Flaherty Charged By Ex-Fighter— Breach Of Pact

SAN FRANCISCO (AP)—John F. Miller, a Modesto policeman who is trying to collect a $2,473 court judgment from boxing manager Sid Flaherty, said today he plans to ask the California Athletic Commission to intercede.

Specifically, he wants the commission to bar Flaherty from acting as a manager or second in California fights until the judgment is paid. He said he planned to go before the commission this week, but learned too late its meeting was in Los Angeles instead of San Francisco.

Miller, 35, who fought as a lightweight from 1946 to 1955, charges Flaherty owed him the $2,473 for breach of contract. His suit said Flaherty had guaranteed him $1,000 a year.

Gonzales, Hoad Win

SACRAMENTO (AP)—Pancho Gonzales beat Mal Anderson, 6-3, 6-4 and Lew Hoad downed Ashley Cooper 6-5, 6-2 last night in pro tennis tour matches sponsored by Jack Kramer.

YANKEES MAY MAKE MAJOR TRADE, REPORT

BALTIMORE (AP)—Lee MacPhail, last year a top hand in the Yankee front office and now general manager of the Baltimore Orioles, expects the New Yorkers to start talking trade in earnest.

"Unless they go on a long winning streak right away, I expect them to make a major trade before the June 15 deadline," MacPhail said.

ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

Pro, Bow, Toe Vie Sunday In Weird Match At Las Gallinas Golf Links

Marin County sports history will add another glowing chapter Sunday when one of the wierdest matches in history will take place at the Gallinas Valley Golf Course three miles north of San Rafael.

We don't know what to call the match, but it will involve three men—a professional golfer, a champion archer and a champion barefooted place kicker. In order, they are Bob Silva of the Gallinas course, Larry Petretti of the Northwoods Bowmen's Club and Gordon Tovani of Kentfield. The latter gets all kinds of publicity, thanks to a strong big toe and the ability to place-kick footballs long distances—barefooted.

Starting at 1 p.m. Sunday this trio will set out on an 18-hole match, Silva playing conventional golf, Petretti shooting arrows at small targets on each green and Tovani booting the pigskin.

All holes on the short nine-hole course are par 3. Silva can shoot it in regulation 27 almost every time and many times even better.

Petretti thinks he can score between 22 and 25. He practiced on three holes recently, getting a bogey, a par and a birdie. To "hole out" on each green he must hit a target the same diameter of the hole, about four-and-a-half inches. No easy task. "Heck," says Petretti, "we don't have targets that small in our club shoots."

Tovani will kick the football around the nine holes. To hole out his kicks must hit and remain on the green. The way the football bounces, this also is a difficult task. Tovani figures he'll score around 25.

Victor Carrara, owner of Las Gallinas, picks Silva to win the match. "This should be really something," says Victor. "There's so much interest in this match that some of the boys have bets going. We expect a big crowd to watch it."

They'll tee, zing and kick off at 1 p.m.

As some poetic genius described the match, it'll be the pro vs. the bow vs. the toe. In fact, Cliff Cox of The Chateau will present each participant a trophy inscribed, "Best Pro," "Best Bow," and "Best Toe." Official presentation ceremonies will take place at the Chateau immediately after the match.

This is nothing new to Tovani. Earlier this year he challenged Professional Malcolm Brown to a match at the Mill Valley muni links. Brownie beat him by 10 strokes, although Tovani averaged 50 yards a kick. On the tiny Las Gallinas layout he figures he'll do good.

WHEN REDWOOD High's baseball team scored a 6-0 upset over Vallejo Tuesday it marked the first time the new Marin County school prevailed over the Vallejo powerhouse in any sport.

It probably will be the last time, too, since Redwood is pulling out of the North Bay League to join the new Marin County Athletic League next September.

The Tuesday game also marked the first time this season that Vallejo failed to score. And a sophomore, Butch Brear, did the blanking.

MEMBERS OF Coach Beth Kaufman's Marin Pirates Swim Team chalked up three first places recently in the Berkeley YMCA meet held at Walnut Creek.

Terry Politi won two of the firsts in the 11-12 age group, swimming the 50-yard backstroke in 35.8 seconds and the 50 free in 30.2. Pete Sagues took the other first by swimming the 100 free in 54.6 seconds in the 15-16 age group.

'MOB TRIED TO TAKE OVER JORDAN'

LOS ANGELES (AP) — A boxing promoter claims he backed out of a deal to muscle in on welterweight champion Don Jordan's contract and got this warning:

"We are going to meet at the crossroads and somebody's going to get hurt. We will make an example of you."

Jackie Leonard told the California Athletic Commission yesterday that the warning came in a telephone call from a man who identified himself as Frankie Carbo. "He was raving so much I hung up," Leonard added.

Carbo is being sought by a New York grand jury investigating alleged mobster influence in prize-fighting.

Leonard, promoter at Hollywood Legion Stadium, testified he was a reluctant gobetween for Frank "Blinky" Palermo, who demanded a 15 per cent cut of Jordan's earnings.

Palermo is a Philadelphia fight manager and associate of Carbo.

Leonard said he first was approached by Palermo last November while negotiations were in progress for a title fight between Jordan and Virgil Akins, then welterweight champion.

First Time Since 1940; Indians Cling To Lead

KER-PLUNK!

The club that has won nine American League pennants and seven world championships in 10 years is in the cellar.

You have to go back to May 25, 1940, to find a set of standings that shows the New York Yankees in eighth place at this stage of the season. And those 1940 Yankees, too, were world champions. They had won four consecutive World Series, and had swept the Chicago Cubs and Cincinnati in four straight in 1938 and 1939.

Yet that New York Yankee club too was last. By Aug. 9 it still was only a .500 team (51-51), and while it was to make a brief stand in first place, it finished third—missing a fifth consecutive pennant by three games.

Detroit was the champion, by one game over Cleveland and three games over New York.

Of the 16 players Manager Casey Stengel used as Detroit plunked the Yankees into the cellar with a 13-6 crash yesterday, only Enos Slaughter was in organized ball in 1940. He was the 24-year-old country boy playing outfield for the St. Louis Cardinals.

Stengel? He was managing the National League's old Boston Bees, who escaped the cellar in the last month and finished seventh.

While the nation's baseball fans eyed the bottom of the A.L. standings, Cleveland clung to the top with a 5-3 victory at Washington last night. The Chicago White Sox remained within half-game of the Indians by beating Baltimore 5-2. Kansas City whipped Boston 8-2.

TWO BERRA HRs

Right-hander Frank Lary gave up a two-run homer to Yogi Berra in the first inning, then blanked the Yankees on four hits until the ninth, when Mickey Mantle's homer and Berra's second scored four runs.

Eddie Yost had three of Detroit's 19 hits and drove in six runs with two homers, one a grand slam. That was after Charlie Maxwell singled home two runs for a tie in the fifth against loser Bobby Shantz (0-2) and Gail Harris then broke the deadlock with a homer that opened a three-run sixth.

Rocky Colavito and Vic Power each drove in a pair of runs for the Indians. Herb Score (4-2) beat the Senators on six hits.

Dick Donovan (2-2) gained his first complete game for the White Sox with a four-hitter. The Sox, who twice came from behind, won it in the fifth on singles by Luis Aparicio and Nellie Fox and Sherm Lollar's sacrifice fly that made it 3-2.

Basilio Key Man In N. Y. Ring Hearing

NEW YORK (UPI)—The attitude and rulings of the New York State Athletic Commission indicated forcefully today it will vacate Sugar Ray Robinson's world middleweight championship at tomorrow's hearing.

Sugar Ray already has been stripped of his title by the National Boxing Assn., of which the New York Commissioner is not a member.

Accordingly, former champion Carmen Basilio—dinner guest of Promoter Jim Norris last night—stood out today as the man around whom the immediate future of the 160-pound division would revolve.

Norris, who was head of the International Boxing Club monopoly until the United States Supreme Court broke it up, is now co-owner of the National Boxing Enterprises of Chicago. The NBE presents the Wednesday night TV fights.

Norris dined last night with Basilio and co-managers Joe Netro and Johnny DeJohn. One observer said it looked like a "victory dinner."A victory for the Norris forces over Robinson and his Teleprompter Corporation backers.

Carmen was the star witness at yesterday's second session of the hearing, which was adjourned until 2 p.m. tomorrow.

Basilio not only gave testimony for 70 stormy minutes, but he threatened to punch one of Robinson's attorneys in the nose. Carmen, perspiring in the sweltering trial room and incensed by shouted objections from lawyer George Mandelbaum, clenched his famous right fist and snarled:

"I'll punch you in the nose!"

"Maybe you might—in the ring," retorted Mandelbaum. "But I'd like to see you in there with Robinson."

HANLEY'S REPORT

Fred Haney Most Cautious Manager

By JACK HANLEY
I-J Correspondent

Fred Haney must be rated the most cautious manager in baseball. He just doesn't believe in taking a chance. Every time a Giant reached first base in the second game of the Giant-Brave series Haney put his bullpen to work — even when Milwaukee was leading 8-1.

The Braves scored four quick runs in the first inning when they should have been out 1-2-3 except for an easy double play that was booted.

Staked to a 4-0 lead, Joey Jay took the mound for the Braves. He got the first man, Andre Rodgers on a grounder. Then he walked Leon Wagner.

Haney promptly signalled his bullpen and Bob Rush began throwing and kept throwing in the bullpen until Jay retired the next two Giants to face him, Willie Mays on a grounder, Orlando Cepeda on the first of eight strikeouts he was to post before the evening was over.

In the second inning, Jay fanned Jackie Brandt and Daryl Spencer. Then he walked Hobie Landrith. What happened in the Brave bullpen? Why, of course, Rush got Haney's cue and went to work. When Jay struck out the next batter, Jimmy Davenport, Rush put his wind cheater on again.

RUSH REMAINED seated during the third inning because Jay got the Giants in 1-2-3 order. But in the fourth inning, Rush automatically took off his jacket and started his bullpen pumping when Mays led off with a not-too-solid single to right, the first hit off Jay.

Cepeda followed with an authentic shot through the hole into left, Mays speeding to third and scoring a minute later on Brandt's force out of Cepeda at second. That was the signal for Rush to pump faster. But again the bullpen activity subsided when Jay struck out Spencer for the second time and Landrith grounded to second.

RUSH RESTED during the fifth. That was another 1-2-3 inning for Jay who also got the first two men to face him in the sixth, Wagner and Mays, on easy grounders. The third man, Cepeda, topped one half way to third and beat it out.

Despite the fact the Braves now were leading 6-1, up jumped Jay for more bullpen work, only to sit down a few minutes later when Brandt popped to Johnny O'Brien for the third out.

In the seventh when the Braves were leading 8-1, Spencer opened the bottom of that inning with a single through the middle. By this time, the more observant of the 22,910 fans in Seals Stadium cast a glance at the Brave dugout.

Surely, Haney would feel reasonably safe with that 8-1 lead and wait to see how Jay handled the next batter, Landrith, before putting Rush to work for the fifth time. Not a bit of it. The Giants had a man on first.

HANEY NODDED and Rush shed his jacket once more and began throwing, stopping only after Landrith hit into a double play and Willie Kirkland, pinch hitting for relief pitcher Joe Shipley, became Jay's eighth strikeout victim.

Even in the eighth when Rodgers led off with a double, Haney signalled Rush to work and he remained at work until the next three batters were out and Rodgers was left stranded at second.

With one out in the bottom of the ninth, Spencer singled and Rush—who pitched almost as much in the bullpen as Jay did on the mound—was starting to take off his jacket but by now he was thoroughly warmed up for unnecessary relief duty since Jay had no trouble with the next two Giants.

Haney's caution was an implied compliment to Giant bats that didn't explode that night. Or to put it another way, the general who never underestimates the enemy usually wins the battle—or the pennant.

Speed Champ To Race At Vaca Sunday

"The Hustler," fastest dragster in the world, will be sent after new world's records Sunday at Vaca Valley Raceway.

Art Chrisman, ace Compton driver, will be at the controls as he hopes to better the 181-mile-an-hour mark he now holds.

Besides the honors, Chrisman also is after the $1,000 in bonds posted for the year's fastest time and elapsed time at Vaca Valley. Tony Waters of Bakersfield now holds both records at 175.67 mph and 8.82 seconds for the quarter-mile distance.

Most of the fast dragsters in northern California are expected to be on hand to race against Chrisman with the possibility some more Southlanders may make the trip.

A complete program of racing is scheduled with more than 300 cars and cycles expected to compete. Timing will start at 7:30 a.m. with eliminations scheduled for 1:30 p.m.

Bay Area Sportsmen's Show Opens Tomorrow

OAKLAND — A large display of all types of trailers has been assured for the Bay Area Sportsmen's Show, opening tomorrow and running for 10 days at the Oakland Exposition Building, 10th and Fallon streets.

Travis Perkinson, director of the show, said a special section is being readied just behind the exposition Building to house the trailers, since all space indoors has been sold out.

The heavy emphasis will be on boats and boat accessories, but many other exhibits will be on view, including the latest for the fisherman and hunter.

Friday's opening will be marked by the appearance of Santa Claus and several of the characters from Santa's Village, near Santa Cruz. Santa's party arrives in Oakland by boat, docking at Jack London Square at 4 p.m.

George Liberace of television and night club fame will be the opening weekend host for the show — making personal appearances all day Saturday and Sunday.

Tam Boosters To Honor Athletes Next Monday

Tam Boosters Club will sponsor the first annual Spring Sports Awards Night next Monday, 7:30 p. m., in the Ruby Scott Auditorium at Tamalpais High School, Boosters President F. M. Cleaveland, Jr., announced today.

Letters and special awards will be presented to the qualifying members of the Tam High baseball, swimming, track and field, golf and tennis teams. Vice-Principal John George will act as master of ceremonies and Athletic Director Jim Hanretty will supervise the presentation of letters and awards.

Refreshments provided by the Boosters and the mothers of the athletes will be served at the conclusion of the meeting.

Women's Tennis Finals Tomorrow In South Marin

Finals in the five-week long women's doubles tennis tournament will be played tomorrow at 12:30 p.m. on the Southern Marin Recreation Center courts, according to Recreation Director Howard J. Adams.

Finalists are Mrs. Patrick Healy and Mrs. Burton Jacobson; Mrs. Henry Outten and Mrs. Sherman Peterson. Awards will be presented after the playing of three sets, Adams said.

More geysers are found in Yellowstone National Park than anywhere else in the world.

Strawberry Loop Meeting Monday

Regular monthly meeting of the Strawberry Little League will be held next Monday, 8:30 p.m., in the multi-purpose room of Strawberry School, it was announced today. All parents and friends are invited to attend.

School Text Fine Repeal Defeated

SACRAMENTO (UPI)—The Assembly Education Committee has decided that schools which refuse to use state-approved textbooks should be subject to a $500 fine.

The committee yesterday killed a bill by Assembly Frank Lanterman (R-La Canada) which would have removed the penalty from state law.

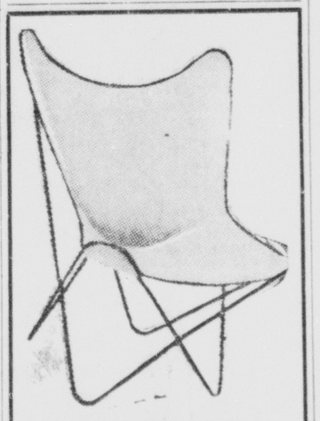

Lanterman said he thought the fine was a "very inappropriate" penalty for turning down the prescribed books.

However, his repealer was opposed by representatives of the state Department of Education.

The grasshopper who came to dinner

What a pest! This uninvited guest eats your family's dinner while the food is still growing. Together with other insects, he destroys more than four billion dollars' worth of U. S. crops each year.

To help farmers reduce these losses, Standard's scientists are at work on new and better insecticides. Since 1907, we've developed more than 650 products for every general plant disease and insect problem . . . from home garden products to agricultural pest controls. Last year our products helped save enough food of all kinds to feed more than a million people.

While this is encouraging progress, the battle never ends. Insects are developing hardier strains which are more difficult to control. And protecting our food supply is becoming more important, for by 1970 there will be an additional 36 million people in the United States.

That's why one of our most important jobs is creating better ORTHO* pest controls. Through research that helps farmers provide more food for a growing population, ***the people at Standard are planning ahead to serve you better.***

**ORTHO pesticides and fertilizers are made by Standard's wholly-owned subsidiary, California Spray-Chemical Corp., and sold in 75 Free World countries.*

HISTORICAL MARKER — Grand officers of Native Sons of the Golden West gather around historical marker placed at old Nicasio School for its dedication as a state landmark. Reading clockwise, they are Leo M. Travers of Dolores Parlor 208, grand second vice president; Larry J. Lafleur of Eden Parlor 113, junior past president; Raymond H. Shone of Fairfax Parlor 307, grand president; John B. Schmolle of Ramona Parlor 109, grand first vice president (elected president today) and George H. Ewart of Fruitvale Parlor 252, grand trustee.

GRAND PRESIDENT DEDICATES SCHOOL AS HISTORIC LANDMARK

Highlight of yesterday's program of the Native Sons of the Golden West Grand Parlor was dedication of old Nicasio School, built four years before Native Sons organization was founded, as a state historical landmark. Raymond H. Shone of San Rafael, NSGW grand president who purchased the school and will preserve it, is shown speaking to crowd assembled in school yard for the ceremony.

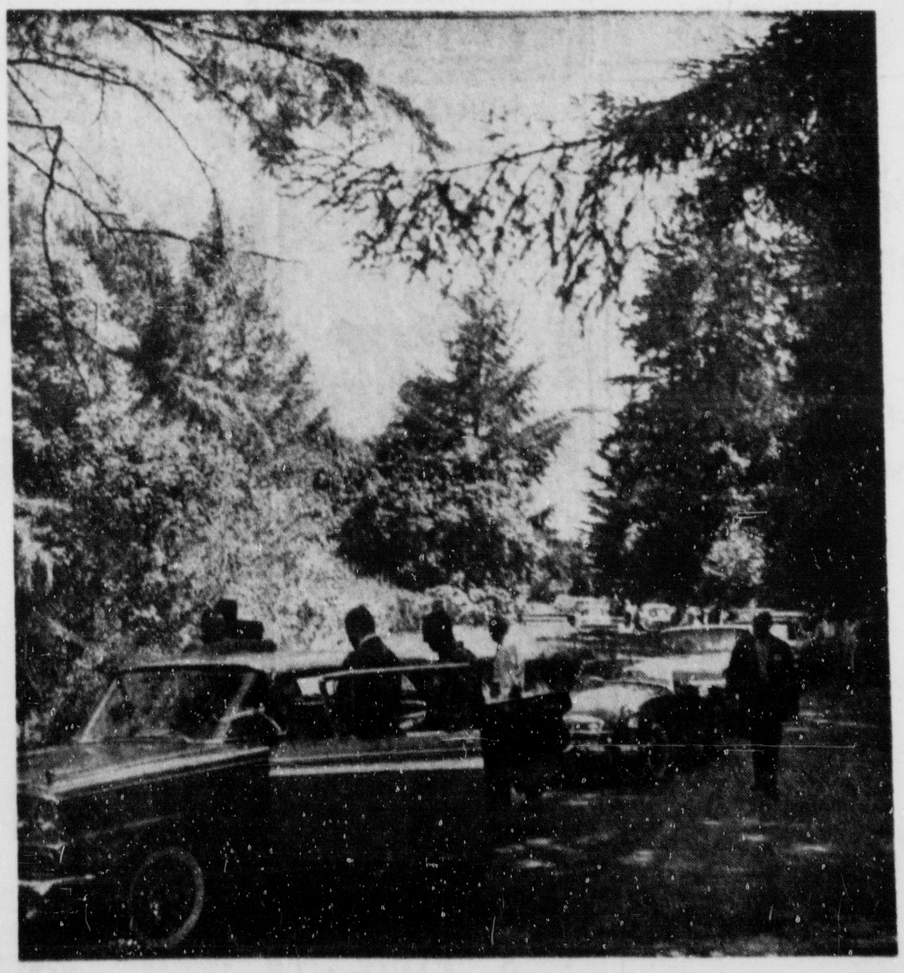

AND THEN THEY ATE — Crowd from Native Sons motor caravan files in double line into Rancho Nicasio for outdoor dining on beef cooked in deep-pit barbecue after dedication ceremony at old Nicasio School.

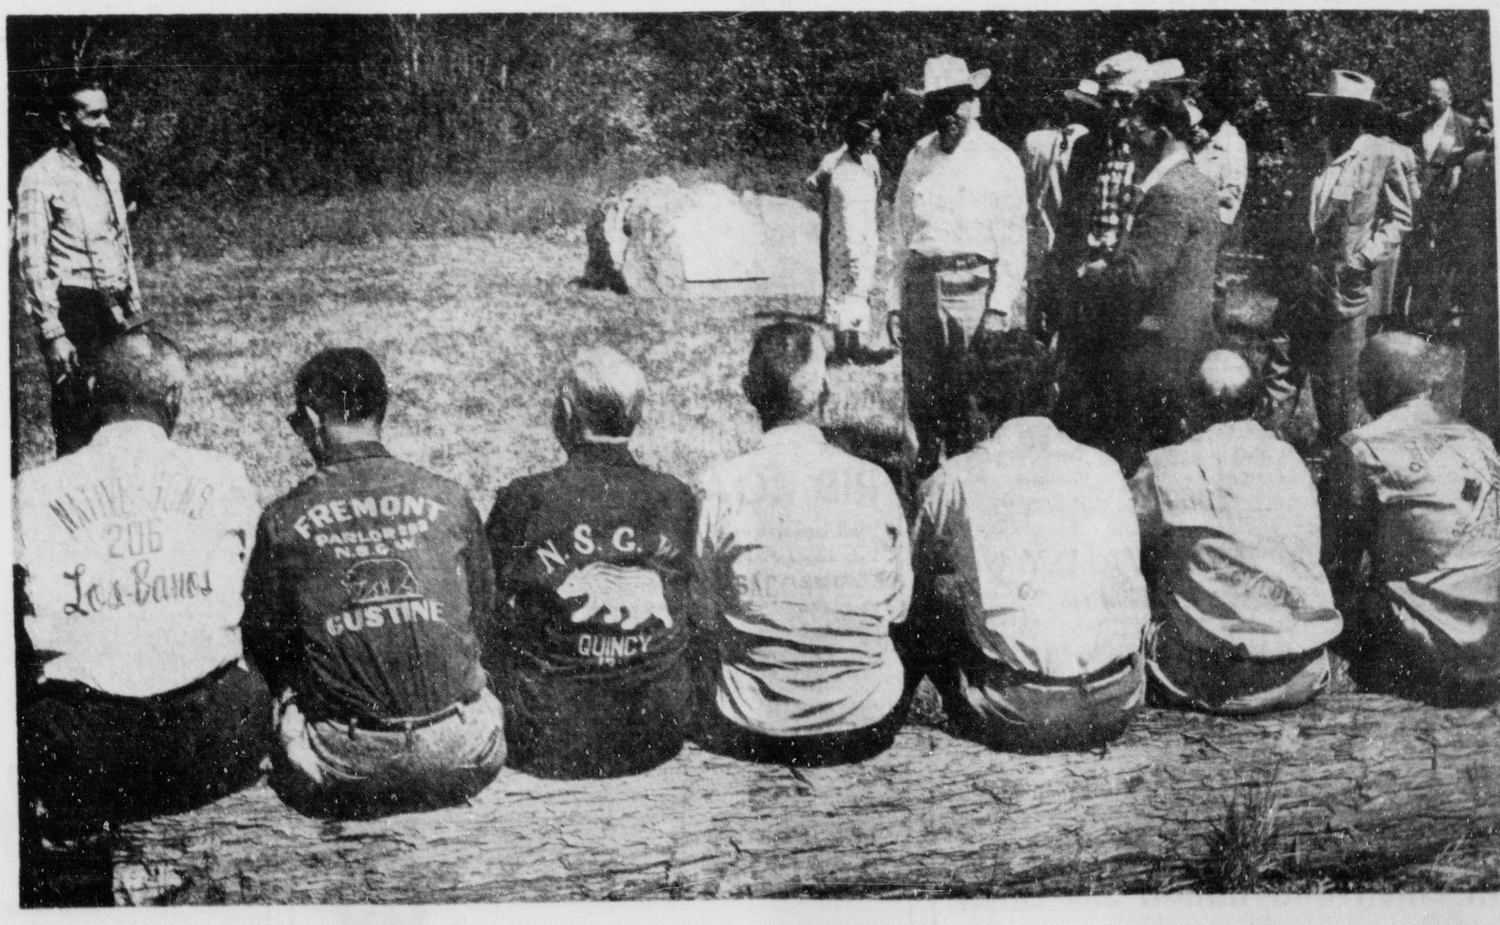

PLENTY FOR ALL — Native Sons, wives and guests surround tables set up out of doors at Rancho Nicasio for barbecue. The feast provided a mid-day break in a tour of Marin beauty spots during which the school landmark dedication was performed.

FAMED GUESTS — Mr. and Mrs. Joseph R. Knowland of Piedmont were among the throng at the Native Sons' barbecue. Knowland, publisher of the Oakland Tribune and chairman of the state Parks Commission, is senior past grand president of the NSGW.

TAYLOR PARK VISIT — The Native Sons' motor caravan parks along edge of Sir Francis Drake highway while members pay visit to redwood grove in Samuel P. Taylor State Park, one of highlights of sight-seeing trip which occupied delegates and guests during most of yesterday.

YOU CAN TELL THEM WITHOUT A PROGRAM — Many of the Native Sons attending the Grand Parlor in San Rafael wore shirts identified with the names of their parlors. Here, seated on log by historical marker in Samuel P. Taylor State Park which was placed by NSGW more than two decades ago, are seen members from Los Banos, Gustine, Quincy, Sacramento, Napa (two) and Los Angeles. Exotic Medley Of Island Garb Shown At Fashion Focus Lunch

A fashion "Symphony of the Islands" came to the mainland on Tuesday, to delight nearly 400 women in an Island mood. United Air Lines flew in the exotic medley of Hawaiian fashions to honor the Symphony Guild of Marin at Rickey's Rancho Rafael's popular Fashion Focus luncheon.

Just as enthusiastic supporters helped Hawaii grow to be the 50th state, so much enthusiasm has made the Symphony Guild of Marin blossom from a small group in 1951 to a membership of 750 who bring the magic of music to Marin.

The glamorous Tuesday cargo from eight outstanding Island designers had been imported by Ruth Gerten of the Tiki Shop in Sausalito's Village Fair with many of the designs created especially for Fashion Focus and seen for the first time on the mainland.

Symphonic hair do's to hum through a busy summer were created for the attractive Symphony Guild models by the Salon of San Rafael.

Fish nets and floats, leis and lanterns, a life-like Tiki to preside over the luncheon; authentic Island music recorded on the beach at Waikiki, and a smorgasbord that had gone native all added to the mood of the moment.

To introduce the "Symphony of the Islands," Carol McAndrew, fashion coordinator for United Air Lines, explained the evolution of Island fashion, using her collection of authentic Hawaiian costumes.

When Captain Cook arrived, he discovered the native girl (Mrs. S. Ames Pence) in her tea leaf grass skirt, most immodestly (so he thought) attired. Whereupon he decided to cover the situation loosely with a mother Hubbard (Mrs. Edward Ruff), familiary known as "Mu-Mu." The native girls desired more femininity, so to accent the positive but cover the situation to the floor, the ruffled "Holemu" appeared (Mrs. G. Edward French Jr). Some of the fair sex wished even more regal splendor; the result the brilliant floral "Holocu" with its short court train (Mrs. William Donohoe).

Years went by, times changed. Flowered and in abbreviated swimsuits, such as Stan Hick's bold orange and white splash print with its matching jacket are seen on the beaches. Mrs. Roy Starbird displayed the 1959 look.

The 1959 Island Symphony continued with "Sarong Timer," black and white Tapa Tu patterned sarong for Mrs. John Wolfe, the side slit to show slim black slimjims; "Teatimer,"—Sidney's sky blue and sea green stripes up and down a ¾ mandarin jacket topping slim blue capris for Mrs. William Pemberton; "Sampan Lounger," Tori Richard's two piece avocado silk delight, easy lounging pants and loose sleeved jacket; the lounger Mrs. Starbird, shaded by a coolie hat; "Swimtimer," splashy hibiscus roaming on a green and white Bikini for Mrs. Donohoe by Stan Hicks; "Suntimer" Stan Hick's "sharkhunt" sun dress, a blue and brown on white print to show off the tan of Mrs. Ruff; "Surftimer," in the swim, Mrs. Pence and Claire Burnett's blue plumeria print swim suit, a matching jacket for cover-up; "Sundowner," another Stan Hicks, the Texas rancher turned Hawaiian fashion designer, blue full skirted cotton, black stripes with gold threads running round and round; Mrs. French, the sundown accent.

Terra Linda Dance Group Has Festival

The Terra Linda Creative Dance group will present its fourth annual dance festival tomorrow night commencing at 7:30 at Mary E. Silveira School in Marinwood. The youngsters, ranging from three years old to fourth graders, planned their own choreography under the direction of A. A. Leath.

"Rhythm Road," "Hunting," and "Triangles" will be presented by first and second grade classes. The dancers will be Sally Ann Drummond, Shelly Heaton, Barbara Hobbs, Gail Robertson, Lise Strandgaard, Mary Brunetti and Christine Gilbert.

The three-year-olds will perform "Names and Movement," "Finger Cymbals and Movement," and "Maracas and Movement." They are Sarah Anderson, Darlene Harris, Caren Marinoff, Kelly Onstatt, Jamie Sheldon, Louise Crowley, Linda Lex, Ann McIntire, Suzanne Redalia and Sarah Wilkinson.

Next, the four-year-olds will appear, dancing "Moving In Couples," "Moving With An Accent," Moving In a Line," and "Moving With Color." They include Ann Alderson, Gale Fitzgerald, Mel Lee, Laurie Schryver, Anita Coggs, Glenda Corstorphine, Paul Ford, Rosemarie Nimer and Nicole Robichaud.

"Three-quarter Time Motion," "Six-Eight Motion," and "Crescendo of Motion," are the selections chosen by the kindergarten children, Ricky Anderson, Anne Cole, Summer Guerrant, Amy Koel, Lisa Munson, Kim Robertson, Kate Vial, Granville Coggs, Rhonda Fitzgerald, Jeff Roberts, Melissa Hansen, Joani Marinoff and Lisa Talcott.

The final group, composed of third and fourth grade pupils, will present "Technique," "Sound," and "Movement." The group consists of Laurel Bardelson, Carla Hanson, Sharon Klipfel, Shelly Nimer, Diane Vial, Kissi Bogowitz, Lynn Heaton, Susie Strandgaard and Ellen Lewis. All the participants will join in a Jam Session afterward.

Coordinator for the program is Mrs. Don Vial. Helping her are Mesdames David Sheldon, Paul Ford, Bert Koel, Gregory Hobbs and Torben Strandgaard. The costumes were designed by Mesdames Herbert Lee, Milton Bogowitz and Paul Klipfel. Mrs.

Business Club To Hear Talks By Nurses

Two registered nurses will give valuable information to members of the Business and Professional Women's Club of Marin County and their guests at the club's dinner meeting Tuesday night, May 26, at Sabella's. June Brusati, the club's health and safety chairman, who is in charge of the program, will present the speakers.

Mrs. John L. Dismukes, chairman of volunteer home nursing division of the Marin County Chapter of the Red Cross, who teaches first aid, will give a demonstration of oral resuscitation, endorsed by the medical profession as the most satisfactory method.

Mrs. Ernest Mareck, Red Cross instructor and trainer for home nursing care for the sick and injured, will explain procedures. On Mrs. Brusati's committee are Henrietta Feinstein and Lila Haberman. The 7:15 dinner will be preceded by a social hour. Mary Sullivan is taking reservations.

Attending the 39th annual convention of the California Federation of Business and Professional Women's Clubs at Hotel del Coronado in Coronado, are the Marin club's president, Betty Fawcett, DC, Eulalie Field, first vice president; and Helen Krause, second vice president, as delegates. They flew south for the conclave which begins today and will conclude on Sunday.

At the club's recent meeting at Mission Inn reports on the spring conference of Redwood Empire District, BPWC, were given by Dr. Fawcett, Mrs. Krause, Mrs. Field, Anita Meyer, Bettie Wentworth and Dorothy Olsen.

Northgaters Play Bridge At Luncheon

The San Rafael home of Mrs. Russell C. Westover, Jr. was the setting for the recent Spring bridge-luncheon of the Northgate Group of the Marin Art and Garden Center.

Hostesses were Mrs. Westover, Mrs. John E. Kirkpatrick, and Mrs. John W. Merryman, while Mrs. Curtis S. Knowles and Mrs. David Dorward were responsible for the attractive floral decorations. Following the luncheon, which was attended by Northgate members and friends, bridge was played at 12 tables.

The luncheon was one of the current series of fund-raising events which the Northgate Group is sponsoring to benefit the Center's building fund. Mrs. J. Boatner Chamberlain of Ross is overall chairman for the benefit parties.

Mrs. Elsie Bundy Of Rainbow Girls Feted By Assembly

Tamalpais Assembly No. 191 Order of the Rainbow for Girls held Masonic Night recently. Sandra Frier, worthy advisor, and officers initiated Judy Smith and Helene Lindenbaum. Refreshments were served following the meeting to the members and guests. Each table was centered with rainbows.

On Obligatory Sunday, the one Sunday of the year that all Rainbow Girls all over the world attend church, the service for Tamalpais Assembly was held at the First Presbyterian Church in San Anselmo.

Mrs. Elsie Bundy, who retired as Deputy to the Supreme Inspector State of California, was honored at a recent party. Tamalpais Assembly hosted the evening and those invited were San Rafael and Novato Assemblies. The three worthy advisors showed the appreciation of their assemblies in speeches and presented Mrs. Bundy with a silver compact with the names of the assemblies engraved on it. Following the meeting, each Assembly provided entertainment.

During the past month, members of Tamalpais Assembly walked over the Golden Gate Bridge and had lunch at the Round House. They also toured aboard the American President Lines, the President Cleveland.

Invitations Sent Out For Driftwood Dance

Invitations have been mailed for the June 5 dance given by Driftwood unit of Friends of Arequipa at the San Francisco Yacht Club in Belvedere. Theme for the gala affair will be "Pre-Olympic Tests," with guests indicating their favorite sport by their attire.

Dancing will start at 10 p. m. and continue until 2 a. m., said Mrs. Victor Banks, general chairman. Many cocktail and dinner parties will be held by Driftwood members earlier in the evening.

Assisting Mrs. Banks with arrangements are Mesdames George Banning, Charles Partridge, Oliver Dibble, John Moore and Michell Abramson Jr.

Promotion Day Is Almost Here! (What About Child Who Fails?)

Promotion day is coming. It's a day of reckoning, and I don't mean maybe. Most of our children will be promoted to higher grades. It'll be a great day for them. Remember how happy you felt on promotion day?

But how about the others? How about the few children who will be told to return to the same grade after vacation? They have problems. Do you have a boy who may repeat his grade next year? Were you told many weeks ago that he might not be promoted? Did you talk with his teacher and the principal about it? Were your qeustions answered? Nonpromotion should not come as a surprise. You and your son should be prepared.

Did you share in the decision to have him repeat? And did he share in it too? Does he see the point? Or does he think he's being treated unfairly? His feelings matter a lot. I've watched hundreds of children repeat grades. I've found that good results are most likely when the youngsters themselves agree on the need. Then they have the right attitudes. They don't think of the repeating as punishment. They see it as the best thing to do.

If you have a repeater, don't shame him. Encourage him. Let him feel your support. Don't let him believe you think he is dumb. Don't accuse him of not trying. He'll be going through a difficult time.

I always ask to have an individual psychological study made of children in danger of nonpromotion. Without individual study parents and teachers can't be sure they're right. With them they can act more wisely. I suggest you take your failing boy to a psychologist. You'll find one on the faculty of the nearest college. Have both intelligence and achievement tests given. Listen carefully to the advice the psychologist offers you. Be sure the information gets to the school too.

READERS' FORUM

(Q) "What test do psychologists use in measuring a child's intelligence?" —Mr. R. C.

(A) Usually they use one of the forms of the Stanford Binet Test. It requires special training to give and to score. Psychologists usually charge from $15 to $25 to give it.

GOODBY FOR A LONG TIME

Mrs. Lois Baker of San Francisco bids goodby to her two grandchildren, Carol Ann, 3, and Robert Noel, 17 months, as they leave for Australia yesterday on a Qantas Empire plane. The two youngsters, who lost their parents, Mr. and Mrs. Fred Wyllie of Los Angeles in an auto accident early this year, will be adopted by an aunt and uncle, Mr. and Mrs. Bertram Emery of North Perth, Western Australia. Mrs. Baker has only slim hopes of ever seeing the two grandchildren again. (AP Wirephoto)

Larkspur Raises Employees' Pay

The Larkspur City Council last night rewarded its employees by granting raises ranging from $20 to $55 a month. Seven of the 15 full-time employees got increases of 10 per cent or better.

The councilmen took one look at City Manager Ronald E. Piper's $800 a month salary (he had proposed no increase for himself) and decided he deserved a raise also. .

Piper observed that Larkspur's city manager ordinance sets a pay range of $600 to $800 a month.

Mayor Daniel Allen said: "I think the ordinance should be changed." Piper promised to confer with City Atty. Samuel W. Gardiner.

Councilman Albert E. Heston suggested putting the city attorney under the personnel ordinance that covers other city employees.

Mrs. Helen Wilson received the biggest increase of $55, bringing her salary to $300 a month as librarian plus $40 as city clerk.

The council approved a monthly salary of $613 (an increase of $29) for Police Chief Howard A. Clark and $505 (increase of $24) for Fire Chief John Raggio. All increases are effective July 1.

Piper said salaries next fiscal year were expected to total $88,980, compared with $83,568. He described them as a "sizable chunk" of next year's $150,000 to $200,000 city budget.

Another item which Piper reported would be in the budget was money for a Greenbrae fire station, possibly enough to begin the $40,000 station, with the balance to be paid during the 1960-61 fiscal year. He read a letter from E. C. Adams, district engineer of the Board of Fire Underwriters of the Pacific, who stated there was a "definite need" for a Greenbrae substation.

"If we had plans under way the board would not downgrade our fire rating," Piper said. He said Adams and he favored a location on the south side of Sir Francis Drake boulevard near the Bon Air shopping center.

In other business last night, the Larkspur Council:

1. Adopted the city's new business license ordinance. It will be effective July 1.
2. Set a public hearing for July 1 at 8 p.m. on annexation of Palm Hill to the city. Property owners involved are Daniel J. Mezzetta, Fred A. Banducci, J. E. Rice, John M. Keller and Thomas J. McWatters.
3. Appointed Price J. Hall to a new four-year term on the city planning commission beginning July 1.
4. Had no objection to a drainage pond serving the Fifer industrial Tract in Corte Madera on Larkspur land next to Highway 101 just north of the railroad tracks, provided Corte Madera maintains the pond and the Fifers agree to move the pond if Larkspur in the future wants to extend William avenue.
5. Heard a report from Piper that Bon Air road from the new bridge to Magnolia avenue is expected to be completed in mid-July. He said City Engineer John C. Oglesby would have specifications ready on June 3 to call for bids for a road to the new Larkspur school under construction. He said a left-turn storage lane on Magnolia avenue would be included in the plans.

Councilman Orrin W. Gray was absent.

S. F. Couple Wed in Marin 50 Years Ago

Tomorrow will be the 50th wedding anniversary of Mr. and Mrs. Harold Clark of San Francisco, former San Rafael residents and both members of pioneer Marin County families. They were married at St. Anselm's Church in San Anselmo.

Clark is a former professional golfer at both Marin and San Francisco country clubs. His father, John Clark, was a San Rafael contractor.

Mrs. Clark, the former Mary Whitmore, was born in San Rafael and attended St. Raphael's School. Her father was John Whitmore, a Ross pioneer.

The Clarks, who live at 653 Fourth avenue, San Francisco, moved to that city from San Rafael about 30 years ago. They have one son and four daughters, 12 grandchildren and four great-grandchildren.

Paradise Drive Group To Elect

New officers will be elected at the Monday evening membership meeting of the Paradise Drive Property Owners Assn. in Reed School auditorium, according to President A. Jack Webber.

Webber said a brief on use of the 19-acre Tiburon Naval Net Depot annex for recreation will be presented by Dr. Fennimore Cady. Further discussion of the area's sanitary service problems is also on the agenda.

To Study Biology

Kathleen Marcone, a junior at Marin Catholic High School, is among 30 high school girls selected to attend a six-week summer biology course at College of the Holy Names in Oakland. Room and board, fees and travel expenses are paid by the National Science Foundation, established by Congress in 1950.

County Asks $98,500 For Fairgrounds

Marin County yesterday applied to the state for $98,500 for first stages of site development at the planned county fairgrounds at Santa Venetia.

The board of supervisors ask the state Public Works Board to allocate the money at its meeting next month. The money is to be used to install a drainage system and for compaction of earth fill.

About 230,000 cubic yards of free fill will be available from the state Division of Highways' excavation work at the Terra Linda interchange site, the board pointed out in its application, but the county must be ready to go ahead with site development to take advantage of the free fill.

If the money is not allocated in June, it was pointed out, the highway division might dispose of the fill elsewhere and Marin would need an additional $195,000 to buy fill for the fairgrounds.

Fire Truck Breaks Down On Bridge; Blaze Ruins Car

An emergency during an emergency proved too much Tuesday afternoon for the 1957 DeSoto sedan of Stanley Castle of Oakland.

It was destroyed by fire to the tune of $1,750 on the southbound side of Highway 101 between Waldo Tunnel and the Golden Gate Bridge.

The fire broke out in the car's back seat cushion about 2 p.m. A fire engine from the Golden Gate Bridge toll plaza barreled across the bridge with sirens wailing. Midway on the bridge, the fire truck broke down.

At 2:35 p.m. the California Highway Patrol radioed for aid. Units from the county fire department substation at Marin City and the Sausalito Fire Department responded, but the car was engulfed in flames by the time they arrived.

Cash, Check Taken From Medical Lab

A burglar stole $38.50 in cash and a $7.50 check from the Clinical Technologists Medical Laboratories at 1703 Fifth avenue in San Rafael, police reported yesterday.

Mrs. Olive Raymond of Santa Venetia, who opened the medical lab just two and one-half weeks ago with her husband, told police the office has been entered several times already. There was no sign of forced entry.

Police advised her to change the door locks, because someone apparently is using a key to enter the office.

Measure Protects Liquor Dealers

SACRAMENTO (AP)—A bill to prevent Stanford University's expanding campus from driving liquor license holders out of business went to Gov. Edmund G. Brown today.

The measure by Assemblyman Clark L. Bradley (R-San Jose), approved 21-1 by the Senate yesterday, provides that a state ban on licenses within one and one-half miles of the campus won't apply to established outlets brought within that limit by expansion of the campus.

Adventist Official To Speak Here

W. L. Hesseltine, Sabbath school secretary of the Northern California Conference of Seventh-day Adventists in Oakland, will be guest speaker at the Fairfax Seventh-day Adventist Church, 75 Park road, Saturday, at 11 a.m.

Hesseltine will speak on Mission Work in the Middle East Division. He will show pictures of the Iraq Training School at Baghdad and others in the Sudan.

2 Brothers Die In Refrigerator

ALBANY, N.Y. (AP) — Two brothers were found dead last night in an unused refrigerator in the basement of their home.

Paul Kelly, 11, and Edward Kelly, 4, were discovered by a sister, Pauline, during a family hunt for the missing boys. It was her 16th birthday.

Coleman School Parents To Meet

Arguments in favor of expanding San Rafael's Coleman School at its present location instead of building an upper-grade school adjacent to San Rafael High School will be presented at 8 o'clock tonight in the high school little theater.

A group of Coleman School parents have gathered information showing that expansion at the present site is practical, said Mrs. Max Thelen Jr.

The San Rafael Board of Education will consider the Coleman School question at its meeting next Tuesday.

School Board Eyes Budget In Fairfax

Fairfax School District's tight financing drew about 50 persons to the trustees' meeting Tuesday night to listen to an item-by-item examination of a proposed 1959-60 budget of $329,797.

The budget is based on a general fund tax rate of $1.25 per $100 assessed valuation.

The spectators were concerned mainly about elimination of school bus transportation next year and cutting down on instrumental music instruction, reported Asst. Supt. James R. Jordan.

The four trustees at Tuesday's meeting postponed action on the budget until their June 16 meeting. The amount of state apportionments is expected to be known by then.

Additional income would be needed to adopt a teacher salary range from $4,400 to $8,200 as proposed by the Ross Valley Teachers Assn. The present salary range in Fairfax is $4,400 to $7,000.

In other business, the Fairfax trustees:

1. Hired William Lemley, 37, to teach fourth grade at Fairfax Central School in the fall.
2. Voted 4-0 (Trustee Richard Sloan was absent) to continue study of Tamalpais Union High School District unification with elementary districts within its boundaries.
3. Agreed to meet Monday at 7:30 p.m. at Isabel Cook School in San Anselmo with the San Anselmo and Kentfield boards to consider salaries of Supt. Harold R. DePue and two assistant superintendents.

NOTICE OF IMPROVEMENT BRET HARTE HEIGHTS SUBDIVISION ROAD IMPROVEMENT PROJECT NO. 1959-1

NOTICE IS HEREBY GIVEN that on the 16th day of March, 1959, the City Council of the City of San Rafael, California, adopted its Resolution of Intention No. 2181 wherein it did declare that in its opinion the public interest and convenence required, and that it was the intention of said Council to order the following acquisitions and improvements in and for said City, to-wit:

(a) The acquisition and improving of Lot "A" as the same is shown on that certain Map entitled "Bret Harte Heights, Subdivision No. 1", filed June 25, 1937, in Map Book 5, Page 72, Marin County Records, by grading, removing trees, bushes and existing structures and constructing therein crusher run base pavement and wearing surface, and such surface and subsurface storm drainage structures as may be required by the City Engineer, and the acquisition of all easements and the construction of all other work auxiliary to any of the above which may be required to carry out the same.

(b) The acquisition and improving of a parcel of land by grading, removing trees, bushes and existing structures and constructing therein crusher run base pavement and wearing surface, and such surface and subsurface storm drainage structures as may be required by the City Engineer, and the acquisition of all easements and the construction of all other work auxiliary to any of the above which may be required to carry out the same, which parcel is more particularly described as follows:

Commencing at the most Westerly corner of Lot 5, as the same is shown and delineated on that certain Map entitled "Bret Harte Heights, Subdivision No. 1", filed June 25, 1937, in Map Book 5 at Page 72, in the office of the County Recorder of the County of Marin, State of California; and running thence Northeasterly along the westerly line of said lot on the arc of a curve to the right having a radius of 80 feet and whose center bears South 50° 58' 05" East, a distance of 29.40 feet; thence North 60° 05' 30" East 32.41 feet; thence leaving said line and running Southerly 48.31 feet to a point on the Southwesterly line of said lot, distant thereon South 73° East 37.89 feet from the point of commencement; thence North 73° West 37.89 feet to the point of commencement.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications approved therefor by the City Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the work to a grade different from the surface of the ground now exists, and that to said extent said grades are hereby changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area shown on the revised map thereof on file in the office of the City Clerk to which reference is hereby made for further particulars.

The estimated cost of said project is $7,580.00.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed Six per cent (6%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code) the last installment of which bonds shall mature fourteen (14) years from the second day of July next succeeding ten months from their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913, as amended.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the City Engineer pursuant to said Act and said Resolution of Intention, adopted pursuant thereto, did on the 18th day of May, 1959, file with the City Clerk of said City his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Council did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention.

NOTICE IS FURTHER GIVEN that Monday, the 6th day of July, 1959, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Council, Council Chambers, City Hall, San Rafael, California, are the time and place appointed and fixed by said Council when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions and that any person interested may file a written protest with the City Clerk of said City at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the City Clerk of said City.

3 ARTISTIC AND MOST UNUSUAL HOMES

$17,500 — TERRIFIC VIEW — DELUXE FAMILY ROOM! Smart contemporary 2 bedroom home with wood-paneled family room that features a large used brick fireplace. Wonderful outdoor living on a large deck that overlooks all of Ross Valley. Plenty of room for expansion on a lower level. Will FHA — Owner moving and anxious for a deal.

$19,000—ALL ELECTRIC KITCHEN! HANDSOME QUARRY TILE FLOORS. One of the most unusual houses we've ever seen — it is quaint and completely charming. Built in 1954, it has a beautiful woodsy view from every window. Full dining room, TWO fireplaces, central gas furnace, delightful provincial decor. Large site, complete privacy. Owner will help with the financing. If you want a specialty house that is definitely apart from the ordinary LOOK NO FURTHER—THIS IS YOUR HOME!

$21,750 — NEW EXCLUSIVE. Such a darling house and such perfectly beautiful large grounds. 2 bedrooms (one has a sun-flooded view deck that invites relaxation), TWO baths with lovely white formica and pretty wall papers. Separate dining room made cozy and appealing with white shutters at the windows. There is a large play room with sliding glass doors that open out to an intimate patio. All newly painted and decorated throughout — everything in perfect condition. Handsome new carpeting and drapes in the living room are included. Ideal commute location. This is indeed a find — there is nothing like it on the market and we predict it will sell fast.

CHIVALRY IN SCHOOL ELECTION

Richard Morse, Suzanne Swan and Norman Johnson (from left to right) are candidates for president of Novato High School's student body for next year. But just to show that chivalry is not yet dead, the boys sign Suzanne's nomination petition. Election will be June 3.

Sleepy Hollow Man Stricken In Europe

Adolph Brenner of Sleepy Hollow has been under treatment two weeks for a "quite serious" heart ailment at the American Hospital in Paris, United Press International reported today. He will probably remain in the hospital for some time, the Paris report said.

Brenner was reluctant to talk to newsmen. He would say nothing about his activities in Europe.

"I only wish I could get out of here tomorrow and go home," he said.

Brenner's home address is 49 Oak Knoll drive.

Friends and relatives in San Francisco said Brenner suffered repeated strokes during a European tour with his wife, Martha. He suffered a heart attack after visiting the Soviet Union.

Brenner, who is a San Francisco apartment house owner, is a former business agent of the San Francisco Bakers' Union. For years he owned a cigar and liquor store on Front street near Market street.

Kentfield Woman Sues In Car Crash

Mrs. Ila Osborne of Kentfield, who was hurt in an auto crash in June of last year, is suing for $25,000 damages in Marin Superior Court.

Attorneys Charles W. Pierce and Wallace S. Myers of San Anselmo filed the suit for Mrs. Osborne against Joseph Nevi Jr. of San Anselmo.

Mrs. Osborne says she was driving on Sir Francis Drake boulevard toward Kentfield when the Nevi vehicle struck from behind. She claims severe injuries including a damaged spine.

Mill Valley Light Opera Opens 'Martha' Tonight

Mill Valley Light Opera Company's newest production, the gay opera, "Martha," by Frederick von Flotow, opens tonight.

"Martha" is the eighth production of the group whose first performance was Gilbert and Sullivan's "Trial By Jury." Since that time the light opera company has enlarged from a strictly Mill Valley project to a countywide, and now a Bay Area, project.

"Martha" will play tonight, tomorrow, Saturday, and May 29 and 30 in the auditorium of San Rafael High School. Curtain time each night is 8:30 o'clock.

Director is Paul Best of San Rafael. Thompson Chesnut will conduct the 30-piece orchestra which accompanies the performances.

In leading roles are Carroll Solo of Corte Madera and Mrs. Jean Kahler from Mill Valley, sharing honors in the title role. Kenneth Wohn of Orinda is Lionel, the hero; Cary Smith, current president of the light opera company and Dr. Judson Mackby of Kentfield, sharing the role of Plunkett.

William Peavey will sing Sir Tristram; John Harding enacts the role of the sheriff.

Set designer Mrs. Schultz Engelhart has created a series of settings which depict the colorful court, a forest glade, and Richmond Fair, where masters bid for servants who enter into a year's bondage. Tom Cox is in charge of set construction.

The pastel costumes and finery are the creations of Mrs. John Wingate, assisted by Richard Lindauer. Mrs. Hughes Call and Mrs. Joseph Moore will be wardrobe mistresses.

The chorus has been trained by chorus master David Reed. Mrs. Jerome London has served as business manager. Mrs. Charles Putney is assistant director, Frank Allen is stage manager, aided by Hal Sixta. Jody White will direct the makeup crew.

Forgot Something?

KNOXVILLE, Tenn. (AP)—Police are wondering if the burglars who invaded a Knoxville grocery got their values mixed. After scattering $5 in pennies on the floor and stacking $16 in cash on a counter, the thieve walked away with a dozen bottles of catsup.

Novato School Board Delays Pay Decision

Trustees of the Novato Unified School District, at a special meeting this week, put off until next Tuesday further consideration of a proposed teacher salary range of $4,600 to $7,960 per year.

The present range is from $4,350 to $8,050.

The new schedule, presented by the board-appointed joint committee on salaries, would raise the over-all cost to the district for salaries by 5 per cent, reported committee members.

Mrs. Beverly Ehreth, president of the Novato Teachers Assn., declared the proposed schedule would mainly benefit teachers in the higher brackets "those who are generally teachers in the high school, where most of the competition with other districts exists."

Trustee Peter J. Ferrarese protested the schedule would mean inequities for some teachers with long service but few additional college credits. "I can't buy it this way," he declared.

Business manager Eugene Debrecht was instructed to review the proposed schedule to ascertain whether the district can afford it next year.

Tractor accidents kill about 1,100 farm people every year.
